## **The Night Rape:**

The Night Rape Debbie Gulliver, 1989      SlutWalk K. Mendes, 2015-06-30 SlutWalk explores representations of the global anti rape movement of the same name in mainstream news and feminist blogs around the world It reveals strategies and practices used to adapt the movement to suit local cultures and contexts and explores how social media organized theorized and publicized this contemporary feminist campaign      **Sexual Harassment** Linda LeMoncheck, Mane Hajdin, 2000-01-01 The question of what constitutes sexual harassment from suggestive remarks to outright threats from off color jokes to lewd posters on office walls is contentious as is the question of how to address sexual harassment Do all instances of sexual harassment constitute sex discrimination Are some instances merely sexual attraction gone wrong Do social policies aimed at eliminating sexual harassment in the workplace violate freedom of expression or do they make working relationships possible between women and men In this uncompromising yet respectful debate two philosophers of widely divergent views present clear arguments and then respond directly to each other's reasoning LeMoncheck argues for a feminist perspective on sexual harassment that is sensitive to the politics of gender Hajdin contends that this perspective is both morally confusing and legally problematic and that sexual harassment can be better addressed by traditional moral and legal categories      *Encyclopedia of Interpersonal Violence* Claire M.
