physical realm with the help of supernatural powers The aim however differs This book covers the following topics Timing your spells and correspondences Consecrating your candles Book of shadows The basics of spellcasting How to begin How to set up your personal wiccan altar Spells for motivation Spells for health and healing The realm of spells The magic within you And much more Admittedly people perform magic for diverse purposes ranging from personal to commercial purposes One could do magic to land themselves a better job to avert dangers or protect themselves from harm to get a partner to recover from an ailment to get wealthier and a host of several other personal reasons For Wiccans however the aim is not entirely so personal This is not to say that Wiccans do not use magic for personal gains protection and so on but rather they view magic as a more of a spiritual journey for a Wiccan to express themselves This explains why magick is a core part of the Wiccan festivals and rituals Do you want to learn more BUY NOW [Forthcoming Books](#) Rose Army,2002 **Introduction to New and Alternative Religions in America** William M.
