## **Spring And Beyond:**

**Spring and Beyond** Robert C. Hollingsworth,2012-12 Having been raised in a home and environment where music that exalted and magnified the love and grace of God was prominent Bob reflects on the fact that in his case there were areas in his growth both naturally and spiritually that required divine intervention Areas of growth not unlike natural growth during the season of spring are highlighted in this book Bob outlines developmental and relational dynamics that had a definite effect on representation that he sang about in the ministry of music The introduction of relational dynamics beyond those within his comfortable environment introduced him toward growth beyond spring infancy As Bob progressed beyond spring he shares experiences of growth that allowed him to come alongside others who needed to experience the same divine intervention he experienced as he continues to proceed from spring and beyond

**The Everlasting Spring: Beyond Olympus** Francis Audrain,2019-08-23 The Everlasting Spring Beyond Olympus is an epic trilogy in three heroic sagas spanning two thousand years in the tumultuous advance of Western Civilization The Storyteller is an old man who understands and appreciates the heroes and heroines saints and sinners who made world changing history with love and self sacrifice enabling Western Culture to survive and produce the United States of America When he was young and foolish naive and swaggering with false bravado the Storyteller frolicked in the good life and took it for granted until a cold Christmas Eve when a lovely young woman broke his heart and shattered his soul The tragic death of beautiful romance brought darkness with agony and despair but the trajectory of his life was soon blessed by a light so bright it revealed his future and compelled him to write So the Storyteller joined with his characters the brave and the bold remembered by historians some new and some old He miraculously survived them with few regrets and his life was replete with trials and tribulations known to those who dream big daring defeat Then find peace in their passion for truth everlasting Once called a hero the Storyteller perished the thought He knew better people those who risked everything for true love and equal justice during the dark nights of their souls and their time in the light They were immortals seeking knowledge with facts And the results of their odyssey eventually touched all as they followed the sun moon and stars just like the Storyteller was doing when he met Benjamin and Boudica and four others too Then chronicled their journeys in a Corps of Discovery to find the most precious and meaningful treasure of all
