Springboards for Discussion John H. Bratt,1970 **The Quest for Preaching Power** John Nicholls Booth,1943
Charisma and Christian Life ,1994-07 **Church Together** Daniel C. Dickard,2022-01-13 Church Together is a Christian leadership book designed to give pastors church leaders and church members a working plan to overcome the greatest underlying threat to the church today individualism through five relationships of surrender which correlate to the five core values of the Church of We Part One examines the three rotten fruits of individualism within the Church of Me consumerism pragmatism and the extremes of legalism and liberalism and how to spot each of these problems Part Two offers a solution on what it will take for churches to make a healthy transition from the Church of Me to the Church of We Church Together for this reason gives churches a manageable plan to defy the individualistic spirit of the age as they become the Church of We in the Age of Me *Evidence New Testament-OE-Psalms and Proverbs* Bridge Logos Publishers,2007-05

Preaching to Be Heard Lucas O'Neill,2019-02-13 If a sermon is preached in a church and no one is listening does it make a difference There are many expository preachers who forego dynamic delivery and many dynamic preachers who lose sight of faithfully communicating the biblical text Too often preachers feel they have to choose one or the other But dynamic delivery and faithful exposition are not mutually exclusive In Preaching to Be Heard Lucas O Neill shows pastors that presenting engaging sermons that are biblically focused is not an impossibility In fact the key to commanding attention lies in the text itself Rather than relying on tricks or gimmicks his approach to sermon writing focuses on maintaining tension throughout while sticking close to the biblical text Using practical examples and a step by step method O Neill shows pastors how relying on the inherent anticipation within Scripture can lead to sermons that are powerful and heard **Evidence Bible** Ray Comfort,2004-04 Pulpit Digest ,1956 Fire in the City Lauro Martines,2006-04-21 A gripping and beautifully written narrative that reads like a novel Fire in the City presents a compelling account of a key moment in the history of the Renaissance illuminating the remarkable man who dominated the period the charismatic Girolamo Savonarola Lauro Martines whose decades of scholarship have made him one of the most admired historians of Renaissance Italy here provides a remarkably fresh perspective on Savonarola the preacher and agitator who flamed like a comet through late fifteenth century Florence The Dominican friar has long been portrayed as a dour puritanical demagogue who urged his followers to burn their worldly goods in the bonfire of the vanities But as Martines shows this is a caricature of the truth the version

propagated by the wealthy and powerful who feared the political reforms he represented Here Savonarola emerges as a complex and subtle man both a religious and a civic leader who inspired an outpouring of political debate in a city newly freed from the tyranny of the Medici In the end the volatile passions he unleashed and the powerful families he threatened sent the friar to his own fiery death But the fusion of morality and politics that he represented would leave a lasting mark on Renaissance Florence For the many readers fascinated by histories of Renaissance Italy such as Brunelleschi s Dome or Galileo s Daughter and Martines s acclaimed April Blood Fire in the City offers a vivid portrait of one of the most memorable characters from that dazzling era
