Touch The Future Teach:

Touch the Future John Lee Clark,2023-10-17 A revelatory collection of essays on the DeafBlind experience and the untapped potential of a new tactile language Born Deaf into an ASL speaking family and blind by adolescence John Lee Clark learned to embrace the possibilities of his tactile world He is on the frontlines of the Protactile movement which gave birth to an unprecedented language and way of life based on physical connection In a series of paradigm shifting essays Clark reports on seismic developments within the DeafBlind community and challenges the limitations of sighted and hearing norms In *Against Access* he interrogates the prevailing advocacy for accessibility that re creates a shadow of a hearing sighted experience and in *Tactile Art* he describes his relationship to visual art and breathtaking encounters with tactile sculpture He offers a brief history of the term DeafBlind distills societal discrimination against DeafBlind people into *Distantism* sheds light on the riches of online community and advocates for *Co Navigation* a new way of exploring the world together without a traditional guide *Touch the Future* brims with passion energy humor and imagination as Clark takes us by the hand and welcomes us into the exciting landscape of Protactile communication A distinct language of taps signs and reciprocal contact Protactile emerged from the inadequacies of ASL a visual language even when pressed into someone s hand with the power to upend centuries of DeafBlind isolation As warm and witty as he is radical and inspiring Clark encourages us disabled and non disabled alike to reject stigma and discover the ways we are connected *Touch the Future* is a dynamic appeal to rethink the meanings of disability access language and inclusivity and to reach for a future we can create together

To Touch the Future American Council on Education. Presidents' Task Force on Teacher Education,1999 *Creative Bible Teaching* Lawrence O. Richards,Gary J. Bredfeldt,2020-08-04 Bring the Bible to Your Students like Never Before Communicating the Scriptures is much like building a bridge However instead of ravines or rivers the teacher must span both cultural boundaries and great gulfs of time between the present and the pasts of Moses David Jesus and Paul Though God s Word is always relevant the teacher must help students see Scripture s vast treasures The effective engaging Bible teacher must therefore become creative Together Lawrence Richards and Gary Bredfeldt have created the ultimate guide to building bridges for those seeking to learn about God s Word *Creative Bible Teaching* offers a five step process by which Christian educators can construct a bridge across time geography and culture to help students of all ages connect with God s Word This newly revised edition makes learning about God s Word more accessible for both teachers and students today Simple clear and memorable the method laid out in *Creative Bible Teaching* provides a sure fire way of communicating God s Word in a way that sticks

Teaching and Advocating to Prepare Student Leaders for a Diverse Workplace Mary Alice Trent,Peggy Stevenson Ratliff,2024-10-11 Each contributing author offers a unique perspective from their specific college discipline Some of the scholarly essays focus on issues of health and

wellbeing during the COVID crisis and what college educators can learn from those experiences to better equip them for handling such disruptions in the future Other contributing authors focus on diversity of race and gender by exploring injustices as revealed in ethnic and minority literature and gender focused literature Some scholarly essays reveal how teaching foreign languages can foster a diversity consciousness in students and expose them to cultural experiences and cross cultural communication of diverse people around the world Some of the contributing authors use their agency to advocate for access for students who have experienced underrepresentation and to promote building an inclusive multicultural campus Students with developed critical thinking skills collaborative skills and cultural intelligence will be prepared for leadership stateside and abroad

Touch the Future Houston, **Collaboration and the Future of Education** Gordon Andrews, Wilson J. Warren, James Cousins, 2015-10-08 Current educational reforms have given rise to various types of educational Taylorism which encourage the creation of efficiency models in pursuit of a unified way to teach In history education curricula this has been introduced through scripted textbook based programs such as Teacher Curriculum Institute s History Alive and completely online curricula They include the jargon of authentic methods such as primary sources cooperative learning differentiated instruction and access to technology yet the craft of teaching is removed and an experience that should be marked by discovery and reflection is replaced with comparatively empty processes This volume provides systematic models and examples of ways that history teachers can compete with and effectively halt this transformation The alternatives the authors present are based on collaborative models that address the art of teaching for pre service and practicing secondary history teachers as well as collegiate history educators Relying on original research and a maturing body of secondary literature on historical thinking this book illuminates how collaboration can create real historical learning
