

The image displays the Bordio web interface, which is a Kanban-style project management tool. The main workspace is divided into four columns: 'To Do', 'In Progress', 'Done', and 'Waiting list'. Each column contains several task cards with titles, descriptions, and due dates. For example, in the 'To Do' column, there are tasks like 'Review the design' and 'Implement the design'. The 'In Progress' column has tasks such as 'Develop the front-end' and 'Test the application'. The 'Done' column shows completed tasks like 'Deploy the application' and 'Gather user feedback'. The 'Waiting list' column contains tasks that are not yet started, such as 'Implement the back-end' and 'Write the documentation'. A smartphone is overlaid in the foreground, showing the mobile app version of the same Kanban board, demonstrating the tool's cross-device synchronization. The mobile app interface is identical to the web version, with the same columns and task cards. The Bordio logo is visible in the top left corner of the web interface, and the user's profile picture is in the top right corner. The overall design is clean and modern, with a light blue and white color scheme.
