Stitches In Time:

Stitches in Time Lucy Adlington, 2015-10-08 Riffing through the wardrobes of years gone by costume historian Lucy Adlington reveals the rich stories underlying the clothes we wear in this stylish tour of the most important developments in the history of fashion from ancient times to the present day Starting with underwear did you know Elizabeth I owned just one pair of drawers worn only after her death she moves garment by garment through Western attire exploring both the items we still wear every day and those that have gone the way of the dodo sugared petticoats farthingales and spatterdashers to name but a few Beautifully illustrated throughout and crammed with fascinating and eminently quotable facts *Stitches in Time* shows how the way we dress is inextricably bound up with considerations of aesthetics sex gender class and lifestyle and offers us the chance to truly appreciate the extraordinary qualities of these our most ordinary possessions **STITCHES IN TIME.** ,1947 **Stitches in Time** Barbara Michaels, 2009-10-13 When an antique bridal quilt appears under mysterious circumstances at the vintage clothing shop where Rachel Grant works she is fascinated She has never been able to resist handmade textiles from the past for she believes that through the ages women wove protective magic into their fabrics in order to mark the important events of their lives birth marriage and death But there is more than good in the quilt s magic power Day by day Rachel sees and feels the power growing as she senses the quilt influencing her thoughts and actions Much as Rachel s logical mind longs to deny the supernatural the aura of evil coming from the quilt is terrifyingly real and it seems to carry a sinister legacy into the lives of the people Rachel loves *A Stitch in Time* Gene Elston, 2006 *A Stitch in Time* Aimee E. Newell, 2014-03-15 Drawing from 167 examples of decorative needlework primarily samplers and quilts from 114 collections across the United States made by individual women aged forty years and over between 1820 and 1860 this exquisitely illustrated book explores how women experienced social and cultural change in antebellum America The book is filled with individual examples stories and over eighty fine color photographs that illuminate the role that samplers and needlework played in the culture of the time For example in October 1852 Amy Fiske 1785 1859 of Sturbridge Massachusetts stitched a sampler But she was not a schoolgirl making a sampler to learn her letters Instead as she explained The above is what I have taken from my sampler that I wrought when I was nine years old It was w rough t on fine cloth and it tattered to pieces My age at this time is 66 years Situated at the intersection of women s history material culture study and the history of aging this book brings together objects diaries letters portraits and prescriptive literature to consider how middle class American women experienced the aging process Chapters explore the physical and mental effects of old age on antebellum women and their needlework technological developments related to needlework during the antebellum period and the tensions that arose from the increased mechanization of textile production and how gift needlework functioned among friends and family members Far from being solely decorative ornaments or functional household textiles these samplers and quilts served their own ends They offered aging women a means of coping of sharing and of expressing themselves These

threads of time provide a valuable and revealing source for the lives of mature antebellum women Publication of this book was made possible in part through generous funding from the Coby Foundation Ltd and from the Quilters Guild of Dallas Helena Hibbs Endowment Fund The Commonwealth Secretariat and the Contemporary Commonwealth Margaret P. Doxey,1989-06-18 A review of the Commonwealth Secretariat s organization resources and performance together with an exploration of the role of the Secretary General and a discussion of the problems of financial stringency and political strain over South Africa It is aimed at specialists and general readers *The Glovers Review* ,1928 For You Chemical and Electrical Co. (New York, N.Y.),1901 **Studies and Exercises in Formal Logic** John Neville Keynes,1884 **Friendly greetings** , **Journal** Institute of Transport (London, England),1922 **Successful Farming Ineex for 1914** Successful Farming,1914 **The Christian Work and the Evangelist** ,1906 *The Hahnemannian Monthly* ,1885 *The Inland Printer* ,1917 *Cottage Hearth* ,1885 The Fireside annual [afterw.] pictorial annual [formerly Our own fireside] conducted by C. Bullock Fireside pictorial annual,1877 **Conception, judgment, and inference** Peter Coffey,1918 **Cornell Reading Courses** ,1921 The Delineator R. S. O'Loughlin,H. F. Montgomery,Charles Dwyer,1901
