Museums in Motion Edward P. Alexander,Mary Alexander,2008 In 1979 Edward P Alexander s Museums in Motion was hailed as a much needed addition to the museum literature In combining the history of museums since the eighteenth century with a detailed examination of the function of museums and museum workers in modern society it served as an essential resource for those seeking to enter to the museum profession and for established professionals looking for an expanded understanding of their own discipline Now Mary Alexander has produced a newly revised edition of the classic text bringing it the twenty first century with coverage of emerging trends resources and challenges New material also includes a discussion of the children s museum as a distinct type of institution and an exploration of the role computers play in both outreach and traditional in person visits
