## **Strangers Citizens:**

**Talking to Strangers** Danielle Allen, 2009-08-01 Don't talk to strangers is the advice long given to children by parents of all classes and races. Today it has blossomed into a fundamental precept of civic education reflecting interracial distrust, personal and political alienation, and a profound suspicion of others. In this powerful and eloquent essay, Danielle Allen, a 2002 MacArthur Fellow, takes this maxim back to Little Rock, rooting out the seeds of distrust to replace them with a citizenship of political friendship. Returning to the landmark *Brown v. Board of Education* decision of 1954 and to the famous photograph of Elizabeth Eckford, one of the Little Rock Nine, being cursed by fellow citizen Hazel Bryan, Allen argues that we have yet to complete the transition to political friendship that this moment offered. By combining brief readings of philosophers and political theorists with personal reflections on race politics in Chicago, Allen proposes strikingly practical techniques of citizenship. These tools of political friendship, Allen contends, can help us become more trustworthy to others and overcome the fossilized distrust among us. Sacrifice is the key concept that bridges citizenship and trust, according to Allen. She uncovers the ordinary daily sacrifices citizens make to keep democracy working and offers methods for recognizing and reciprocating those sacrifices. Trenchant, incisive, and ultimately hopeful, *Talking to Strangers* is nothing less than a manifesto for a revitalized democratic citizenry.

**The Commentaries of Origen and Jerome on St. Paul's Epistle to the Ephesians** Ronald E. Heine, 2002-12-05 This important study provides the first English translation of both the surviving fragments of Origen's Commentary on Ephesians and of the complete text of Jerome's Commentary on Ephesians. The two translations are placed parallel to one another where they treat the same texts in Ephesians, thus showing Jerome's extensive dependence on Origen's commentary. By using collateral texts from other works of Origen, Jerome, and Rufinus, the author is able to show Jerome's dependence on Origen in numerous passages in his commentary where the Greek text of Origen's commentary is lost. The translation is accompanied by Heine's illuminating commentary, and a substantial introduction sets the works in their historical context. The book makes a significant contribution not only to scholarship on Origen and Jerome but also to the wider question of the interpretation of scripture in the early Christian centuries.

*One Jewish State* David Friedman, 2024-09-03 THE TERRORIST MASSACRE COMMITTED BY HAMAS AGAINST INNOCENT ISRAELIS ON OCTOBER 7, 2023, BROUGHT GREAT TRAUMA TO THE STATE OF ISRAEL, BUT IT ALSO HAS BROUGHT GREAT CLARITY. It is this clarity that tells us we must try something NEW. It is this clarity that tells us Israel must plan its future on its own and not obsess about what others think. And it is this clarity that compels us to go back to basics, to return to the biblical values and divine covenants that unite the Jewish people. It is this clarity that has inspired David Friedman, former US Ambassador to Israel and bestselling author of *SLEDGEHAMMER*, to write and lead a new movement, ONE JEWISH STATE. The Last Best Hope to Resolve the Israeli-Palestinian Conflict. One of the leading architects of the historic Abraham Accords, David Friedman explains why, in these turbulent and dangerous times, the simple phrase of three words, ONE JEWISH STATE, must

be the guideline for Israel and the world's collective future. Each word of ONE JEWISH STATE is deeply instilled with meaning. ONE There is only ONE country earmarked for the Jewish people. ONE There are 49 Muslim countries and many Christian, Buddhist, and Hindu countries, but only ONE Jewish State. JEWISH This Jewish State is exactly that. JEWISH It is the place where Jewish history was born, where Jewish values were created, and where more Jews live than anywhere else. It is situated on the land given to the Jewish people by God in the words of the Holy Bible. STATE Israel is not just a place; it is a country with sovereignty over its land and responsibility for its inhabitants. Today, that sovereignty has been called into question by the nations of the world and even by some within Israel. But Israel cannot be Jewish without sovereignty over the places that make it Jewish. Friedman proposes a goal and a path with God's help for Israel to have complete sovereignty over all its biblical homeland in a just manner that brings peace, prosperity, and essential human dignity to ALL of Israel's inhabitants. In ONE JEWISH STATE, he will explore: The History of the Israeli-Palestinian Conflict, The True History of Jews and Muslims in the Disputed Territories, Past, Present, Future, Legal Issues, Prior Proposals, Peace Plans, and So-Called Solutions, and Why They ALL Failed, Why Israel has Succeeded as a Regional Superpower While its Arab Neighbors Have Failed, Palestinian Tribalism and the Creation of a Nationalist Movement, Religious and Biblical Issues, Conflict and Agreement, Palestinian and Muslim Leaders and Goals for Their Peoples, Geographic and Security Considerations for ALL, Hamas and the Gaza Strip, Insoluble for Now, American Evangelicals and Their Influence, Ambassador Friedman's book persuasively explains the many reasons why, in this massive world, there MUST remain room for ONE JEWISH STATE.

Strangers to the Constitution Gerald L. Neuman, 2010-07-01. Gerald Neuman discusses in historical and contemporary terms the repeated efforts of U.S. insiders to claim the Constitution as their exclusive property and to deny constitutional rights to aliens and immigrants and even citizens if they are outside the nation's borders. Tracing such efforts from the debates over the Alien and Sedition Acts in 1798 to present-day controversies about illegal aliens and their children, the author argues that no human being subject to the governance of the United States should be a stranger to the Constitution. Thus, whenever the government asserts its power to impose obligations on individuals, it brings them within the constitutional system and should afford them constitutional rights. In Neuman's view, this mutuality of obligation is the most persuasive approach to extending constitutional rights extraterritorially to all U.S. citizens and to those aliens on whom the United States seeks to impose legal responsibilities. Examining both mutuality and more flexible theories, Neuman defends some constitutional constraints on immigration and deportation policies and argues that the political rights of aliens need not exclude suffrage. Finally, in regard to whether children born in the United States to illegally present alien parents should be U.S. citizens, he concludes that the Constitution's traditional shield against the emergence of a hereditary caste of illegals should be vigilantly preserved.

*London and Literature, 1603-1901* Angela Kikue Davenport, Yui Nakatsuma, Barnaby Ralph, 2017-01-06. *London and Literature 1603-1901* brings together papers by scholars and researchers interested in British literature of the period.

covered It will be of value to the many students and colleagues of the contributors as well as people connected with or influenced by the work of Eiichi Hara This volume covers literature from the beginning of the Jacobean period to the end of the Victorian era It takes the city of London as its focus and the chapters explore different aspects of the interaction of literature and place covering works by major figures within the time period This connection is doubly significant as the book is also a Festschrift to celebrate the career of Eiichi Hara the most renowned Dickensian in Japan and a scholar with a particular interest in London With a preface by Gerald Dickens the great great grandson of Charles Dickens and a foreword by Toru Sasaaki President of the English Literary Society of Japan London and Literature 1603 1901 brings together leading scholars in the field of English literature to offer a series of valuable perspectives on the city and its artistic life

**A history of the people of the United States, from the Revolution to the Civil War** John Bach McMaster,1906 **The Universal Dictionary of Trade and Commerce** Malachy Postlethwayt,1766 **The English Reports: Common Pleas (1486-1865)** ,1912 *Kaskaskia Records, 1778-1790* Clarence Walworth Alvord,1909 **Historic Trenton** ,1916 *The Story of the White House* Esther Singleton,1907 *1830-1841* John Bach McMaster,1915 *Sahara and Lapland. Public Record Office,1916 *Studies in History and Jurisprudence* James Bryce Bryce (Viscount),1901 **Stranger Citizens** John McNelis O'Keefe,2020-12-15

Stranger Citizens examines how foreign migrants who resided in the United States gave shape to citizenship in the decades after American independence in 1783 During this formative time lawmakers attempted to shape citizenship and the place of immigrants in the new nation while granting the national government new powers such as deportation John McNelis O Keefe argues that despite the challenges of public and official hostility that they faced in the late 1700s and early 1800s migrant groups worked through lobbying engagement with government officials and public protest to create forms of citizenship that worked for them This push was made not only by white men immigrating from Europe immigrants of color were able to secure footholds of rights and citizenship while migrant women asserted legal independence challenging traditional notions of women s subordination Stranger Citizens emphasizes the making of citizenship from the perspectives of migrants themselves and demonstrates the rich varieties and understandings of citizenship and personhood exercised by foreign migrants and refugees O Keefe boldly reverses the top down model wherein citizenship was constructed only by political leaders and the courts Thanks to generous funding from the Sustainable History Monograph Pilot and the Mellon Foundation the ebook editions of this book are available as Open Access OA volumes from Cornell Open [cornellpress.cornell.edu](http://cornellpress.cornell.edu) [cornellopen.org](http://cornellopen.org) and other Open Access repositories *Source Book of London History from the Earliest Times to 1800* P. Meadows,1914 *Laws. Index to the writings of Plato* Plato,1892

## Decoding **Strangers Citizens**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Strangers Citizens**," a mesmerizing literary creation penned by way of a celebrated wordsmith, readers attempt an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
