## **The Blessing Way:**

The Blessing Way Tony Hillerman,1990 Witchcraft appears to be involved in the death of an Indian whose body was found in Many Ruins Canyon and Lieutenant Joe Leaphorn is charged with the task of solving the crime *The Blessing Way* Tony Hillerman,2018-01-02 Homicide is always an abomination but there is something exceptionally disturbing about the victim discovered in a high lonely place a corpse with a mouth full of sand abandoned at a crime scene seemingly devoid of tracks or useful clues Though it goes against his better judgment Navajo Tribal Police Lieutenant Joe Leaphorn cannot help but suspect a hint of the supernatural There is palpable evil in the air and Leaphorn s pursuit of a Wolf Witch is leading him where even the bravest men fear on a chilling trail that winds perilously between mysticism and murder **Blood and Voice** Maureen Trudelle Schwarz,2016-12-15 Adulthood in the Navajo world is marked by the onset of menstruation in females and by the deepening of the voice in males Accordingly young adults must accept responsibility over the powers manifest in blood and voice for women the forces that control reproduction and growth for men the powers of protection and restoration of order that come through maintaining Navajo oral tradition The maintenance of the latter tradition has long been held to be the function of the Navajo singer a role usually viewed as male But despite this longstanding assumption women can and do fill this role Drawing on interviews with seventeen Navajo women practitioners and five apprentices Maureen Trudelle Schwarz explicates women s role as ceremonial practitioners and shows that it is more complex than has previously been thought She examines gender differences dictated by the Navajo origin story details how women came to be practitioners and reveals their experiences and the strategies they use to negotiate being both woman and singer Women who choose careers as singers face complex challenges since some rules prohibit menstruating women from conducting ceremonies and others regarding sexual continence can strain marital relationships Additionally oral history places men in charge of all ceremonial matters Schwarz focuses on how the reproductive life courses of Navajo women influence their apprenticeships and practices to demonstrate how they navigate these issues to preserve time honored traditions Through the words of actual practitioners she shows how each woman brings her own unique life experience to the role While differing among individuals these experiences represent a commitment to shared cultural symbols and result in a consensus that sustains social cohesion By showing the differences and similarities between the apprenticeship initiation and practice of men and women singers Blood and Voice offers a better understanding of the role of Navajo women in a profession usually viewed as a male activity and of the symbolic construction of the self in Navajo culture It also addresses classic questions concerning the sexual division of labor menstrual taboos gender stereotypes and the tension between tradition and change that will enlighten students of other cultures **Mother Rising** Yana Cortlund,Barb Lucke,Donna Miller Watelet,2012-05-09 Different from a baby shower where gifts are lavished upon the soon to be born child a blessingway ceremony honors the mother to be and creates a circle of support that will cradle her as she prepares to give birth

Surrounded by the most important women in her life she can explore the challenges and joys that lie before her gaining a sense of power and confidence that will help her rise to motherhood MOTHER RISING shows women how to organize and personalize a blessingway for the expecting friends and family an experience that will give the mother to be the best possible gifts of deep happiness serenity and abundance of love A resource for planning and hosting a blessingway ceremony a woman centered celebration of the journey into motherhood Ideal gift for or from an expectant mother who wants a more meaningful and transformational experience than the traditional gift focused baby shower Outlines the five stages of the blessingway ritual from establishing a safe and sacred space to honoring and pampering the mother to be Finalist in both the 2004 Independent Publisher Book Awards and Foreword magazine s Book of the Year Awards Features sidebars inspirational quotations resources and checklists

*Ethical Leadership and Decision Making in Education* Joan Poliner Shapiro, Jacqueline A. Stefkovich, 2016-01-08 The fourth edition of the best selling text *Ethical Leadership and Decision Making in Education* continues to address the increasing interest in ethics and assists educational leaders with the complex dilemmas in today s challenging and diverse society Through discussion and analysis of real life moral dilemmas that educational leaders face in their schools and communities authors Shapiro and Stefkovich demonstrate the application of the four ethical paradigms the ethics of justice care critique and profession After an illustration of how the Multiple Ethical Paradigm approach may be applied to real dilemmas the authors present a series of cases written by students and academics in the field representing the dilemmas faced by practicing educational leaders in urban suburban and rural settings in an era full of complications and contradictions Following each case are questions that call for thoughtful complex thinking and help readers come to grips with their own ethical codes and apply them to practical situations New in the Fourth Edition A new chapter on technology versus respect focusing on ethical issues such as cyber bullying and sexting New cases on teachers with guns the military and education children of undocumented immigrants homeless students videos in bathrooms incentive pay first responders private alternative high schools verbal threats and gaming etiquette Updates throughout to reflect contemporary issues and recent scholarship in the field of ethical leadership This edition adds teaching notes for the instructor that stress the importance of self reflection use of new technologies and global appeal of ethical paradigms and dilemmas Easily adaptable to a variety of uses this book is a critical resource for a wide range of audiences including both aspiring and practicing administrators teacher leaders and educational policy makers

**The Sacred Paths** Theodore M. Ludwig, 2001 For courses in Religions of the World History of Religions Comparative Religion and Introduction to Religious Studies in departments of Religion Religious Studies Theology and Philosophy Unique in approach this text combines an historical descriptive presentation of individual religions with a comparative thematic approach It begins with a discussion of the basic human questions and concerns relating to religion e g origin and identity ultimate reality human nature and the good life and then uses these essential concepts to help describe the beliefs practices and historical development of each

religion As the work of a single scholar much of it based on original research this book offers a consistency and depth missing in many of the texts in this field     **Navaho Pottery Making** Harry Tschopik,1941     I Become Part of it D.
