Soft Target:

Soft Targets and Crisis Management Michael J. Fagel, Jennifer Hesterman, 2016-09-19 Uniting the best of Michael Fagel and Jennifer Hesterman's books in the fields of homeland security and emergency management the editors of this volume present the prevailing issues affecting the homeland security community today Many natural and man made threats can impact our communities but these well known and highly respected authors create order from fear guiding the reader through risk assessment mitigation strategies community EOC planning and hardening measures based upon real life examples case studies and current research in the practice As terrorist attacks and natural disasters continue to rock the world *Soft Targets and Crisis Management* emphasizes the vulnerability of soft targets like schools churches and hospitals and presents the methodology necessary to respond and recover in the event of a crisis in those arenas Features Based on ASIS award winning texts Provides a multi faceted look at crisis management principles Offers community specific examples for diverse locales and threat centers Includes up to date case studies on soft target attacks from around the world A must read for security emergency management and criminal justice professionals *Soft Targets and Crisis Management* What Emergency Planners and Security Professionals Need to Know is a crucial text for practitioners seeking to make the world a safer place for others

Soft Target Protection Ladislav Hofreiter, Viacheslav Berezutskyi, Lucia Figuli, Zuzana Zvaková, 2020-03-03 This proceedings volume includes articles presented during the Advanced Research Workshop on Soft Target Protection The book presents important topics related to the protection of vulnerable objects and spaces called Soft Targets The chapters published in this book are thematically assigned to the blocks as follows Theoretical aspect of soft target protection Blast resistance of soft targets Counter terrorism Technical and technological solutions for soft target protection Scheme and organizational measures Blast protection and Forces for soft target protection In this book the reader will find a wealth of information about the theoretical background for designing protection of soft targets as well as the specifics of protecting objects in armed conflict areas New methods and procedures applicable to the soft target protection are described

Soft Target Don Pendleton, 2005 New intelligence indicates a highly orchestrated chain of violence is about to spread like wildfire across the U S Using his razor sharp instincts Mack Bolan must piece together the puzzle in order to prevent the relentless enemy's next calculated act of devastation Original *Soft Target Hardening* Jennifer Hesterman, 2018-12-07 The US government spends billions of dollars to secure strategic and tactical assets at home and abroad against enemy attack However as hard targets such as military installations and government buildings are further strengthened vulnerable soft targets are increasingly in the crosshairs of terrorists and violent criminals Attacks on crowded spaces such as churches schools malls transportation hubs and recreational venues result in more casualties and have a powerful effect on the psyche of the populace *Soft Target Hardening Protecting People from Attack* Second Edition continues the national dialogue started by the first edition by providing case studies best practices and methodologies for identifying

soft target vulnerabilities and reducing risk in the United States and beyond Soft target attacks steadily climbed in number and scale of violence since the first edition of this book New tactics emerged as terrorists continually hit the reset button with each attack In this volatile ever changing security environment plans to protect people and property must be fluid and adaptable Along with new hardening tactics such as the use of tactical deception to disguise conceal and divert the author has updated the text with new case studies to reflect and respond to the fast moving transformation in methods from more complex and organized forms of terror to simpler yet still devastating approaches This book is a must read for those who secure own and operate soft target facilities and for citizens who want to protect themselves and their families from attack

Soft Target Hardening Second Edition was named the ASIS International Security Industry Book of the Year in 2019 Soft Target Michael Levin,2007-03 Happy go lucky U S President James Jimmy Hendricks has a big problem He s supposed to sell America on a new anti terror bill but his Chief of Staff who doesn t trust him won t let him even read it Meanwhile a dying Supreme Court Justice secretly gives his sole clerk Abigail Johnson orders to declare the bill unconstitutional should it reach the Court Suddenly everyone from the President to the FBI to the terrorists themselves want to find out who Abigail Johnson is before she gets to cast the vote that changes the nation Trust us it s funnier than it sounds here Praise for Michael Levin s Previous Novels Levin s verbal humor glistens The New Yorker Lively with the indignation of a bright young man The Washington Post Outrageous passionate funny entertaining satirically engaging so amusingly complex that one can t help getting caught up by its machinery The New York Times Christopher Lehmann Haupt A marvelously complex plot a thoroughly good time Sunday New York Times Book Review Irresistible It s hard not to get caught up in the frenzy Los Angeles Times A master of complex plotting Booklist *Soft Target* J. Bureau of Mines and Mineral Resources,1959 **Sustainability Indicators** Tomás Hák,Bedrich Moldan,Arthur Lyon Dahl,2007-05-14 While the concept of sustainability has been widely embraced it has been only vaguely defined and is exceedingly difficult to measure Sustainability indicators are critical to making the broad concept of sustainability operational by providing specific measures by which decision makers and the

public can judge progress Sustainability Indicators defines the present state of the art in indicator development It presents a comprehensive assessment of the science behind various indicators while placing special emphasis on their use as communications tools The contributors draw on their experience as academics and practitioners to describe the conceptual challenges to measuring something as complex as sustainability at local regional national and global scales The book also reviews existing indicators to assess how they could be better employed considering which indicators are overused and which have been underutilized Sustainability Indicators will help planners and policy makers find indicators that are ready for application and relevant to their needs and will help researchers identify the unresolved issues where progress is most urgently needed All readers will find advice as to the most effective ways to use indicators to support decision making
