Soul Education:

The Wheels of Soul in Education ,2010-01-01 This book boldly re frames the basis of our collective approach to education It presents a compelling argument for an educational world view that perceives self society and the universe as an undivided whole a hierarchy of wholes within wholes wheels within wheels Soul in education is an international movement rooted in the holistic education paradigm It challenges us individually and collectively to re ensoul our educational thinking and practice from the inside out At the heart of this educational world view is an appreciation of the spiritual presence of the soul as the source self that exists beyond the surface appearance of personality and infuses an individual with positive transformative qualities that energise lifelong learning and creative living The essays in this book describe practices that attend to the cultivation of the soul in a range of educational contexts Written by holistic educators from around the globe they build a picture of education that develops a multidimensional understanding of self and other Through creativity paradox and mystery teachers invite the emergence of soul qualities in themselves and learners qualities such as joy justice caring ethics compassion and tolerance providing the vital basis for the creation of a more equitable social reality in the 21st century and beyond

Education and the Soul John P. Miller,2000-01-01 With emphasis on preparing students for jobs standards and achievement testing many think that North American education has become inwardly deadening yet this book provides a counterbalance as it offers a way to nurture the soul in classrooms and schools

The Forum Loretta Sutton Metcalf,Walter Hines Page,Joseph Mayer Rice,Frederic Taber Cooper,Arthur Hooley,George Henry Payne,Henry Goddard Leach,1887 Current political social scientific education and literary news written about by many famous authors and reform movements
