## **Soul Words:**

God, You Are Healing for My Soul (Words Straight from the Heart) Carol S. Wright, 2011-12-19 Every day people awake thinking they can do things their way Maybe you were on the right path with God and you turned away Suddenly things that were once going well now are going downhill Those who were your so called friends have turned their backs on you Why Because you lost everything when you placed someone or something ahead of God This includes your family I encourage people to write I have found it to be a form of therapy A way to express myself out loud This book represents a group of poems from my Spiritual Guidance Collection about my life that I experienced during the good and bad times Someone might say the poems are a conversation with God a form of prayer My hope is that everyone who reads this book will find their way back to God the Creator

**Feeling Matters** Michael Eigen, 2018-05-08 As long as feelings are second class citizens people will be second class citizens Experience is an endangered species An important function of psychotherapy is to make time for experiencing Psychic taste buds really exist and rarely rest They feed us each other gauge states of being states of spirit We taste each other s feelings and intentions An important aim of this book is to build psychic taste buds not put them down or pretend they don t exist A positive feeling runs through this book a love of life an affirmation Yet we discover many feel they do not have an impact A sense of helplessness and impotence in face of awesome forces seems to be increasing Health is a broad term with many dark threads A creeping annihilating sense varies from pockets we try not to notice to soul murder that must be addressed Yet individuals do try in their private struggles and in the larger social sphere
