Anne Christine Junkerman

The Pin Up A Modest History:

The Pin-up Mark Gabor,1972 This illustrated history of pin ups ranges from their origin up to the early 1980s and includes special spreads from Mayfair Penthouse and the Pirelli calendars Why We Fought Robert B. Westbrook,2012-01-11 Why We Fought is a timely and provocative analysis that examines why Americans really chose to sacrifice and commit themselves to World War II Unlike other depictions of the patriotic greatest generation Westbrook argues that strictly speaking Americans in World War II were not instructed to fight work or die for their country above all they were moved by private obligations Finding political theory in places such as pin ups of Betty Grable he contends that more often than not Americans were urged to wage war as fathers mothers husbands wives lovers sons daughters and consumers not as citizens The thinness of their own citizenship contrasted sharply with the thicker political culture of the Japanese which was regarded with condescending contempt and even occasionally wistful respect Why We Fought is a profound and skillful assessment of America s complex political beliefs and the peculiarities of its patriotism While examining the history of American beliefs about war and citizenship Westbrook casts a larger light on what it means to be an American to be patriotic and to willingly go to war *Pin-Up Grrrls* Maria Elena Buszek,2006-05-31 DIVA visual history about how feminist artists have appropriated and incorporated the signification of the pin up genre within their own work div
