

NEWS 8

An aerial night view of a city with lights from buildings and streets. The NEWS 8 logo is prominently displayed in the center. The logo consists of the word "NEWS" in a bold, white, sans-serif font, followed by a large, stylized white number "8". The "8" has a unique design with a horizontal line that curves under the bottom of the number. The background is a dark, high-angle shot of a city at night, with various lights and structures visible.

News with a View Burton St. John III, Kirsten A. Johnson, 2014-01-10 Modern mainstream journalism faces a very real disturbance of its foundational premise that credible news is gathered and articulated from an objective stance This volume offers new examinations of how the traditional notion of objectivity is changing as professional journalists grapple with a rapidly evolving news terrain one that has become increasingly crowded by those with no journalistic credentials Examining historical antecedents current dilemmas international aspects and theoretical considerations contributors make the case that the journalist s impulse to hold onto objectivity and to ignore the increasing subjectivities to which citizens are attuned actually contributes to the news media s disconnect from today s news consumer Revealing how traditional journalism needs to incorporate post objective stances these essays stimulate further thought and conversation about news with a view in both theory and practice

Smartphones, Current Events and Mobile Information Behavior Kyong Eun Oh, Rong Tang, 2023-06-05 Smartphones and Information on Current Events provides unprecedented insights into young people s news consumption patterns and the ecology of mobile news Advancing our knowledge of mobile behaviour the book also highlights the ways in which mobile news impacts the lives of the general public Using a multi faceted research model on mobile news consumption behaviour Oh and Tang examined a wide spectrum of mobile news consumption activities outlined the key characteristics of mobile news as well as captured users near real time evaluation of and emotional reactions to news stories The book also shows that the process of using smartphones to receive read find share and store news stories has resulted in new behavioural patterns that enable people to consume news in a multifaceted way Analyzing the extent and various methods of mobile news sharing can Oh and Tang argue help us understand how such exchanges reshape contemporary society Demonstrating that mobile news consumption is now an integral part of people s daily lives the book clearly shows that its impact on people s day to day activities and their political and social lives cannot be underestimated Smartphones and Information on Current Events will be useful to scholars students and practitioners who are studying library and information science journalism and media digital communication user behaviour information technology human computer interaction marketing political science psychology and sociology
