Whittaker Chambers A Biography:

Whittaker Chambers Sam Tanenhaus,2011-04-20 Whittaker Chambers is the first biography of this complex and enigmatic figure Drawing on dozens of interviews and on materials from forty archives in the United States and abroad including still classified KGB dossiers Tanenhaus traces the remarkable journey that led Chambers from a sleepy Long Island village to center stage in America s greatest political trial and then in his last years to a unique role as the godfather of post war conservatism This biography is rich in startling new information about Chambers s days as New York s hottest literary Bolshevik his years as a Communist agent and then defector hunted by the KGB his conversion to Quakerism his secret sexual turmoil his turbulent decade at Time magazine where he rose from the obscurity of the book review page to transform the magazine into an oracle of apocalyptic anti Communism But all this was a prelude to the memorable events that began in August 1948 when Chambers testified against Alger Hiss in the spy case that changed America Whittaker Chambers goes far beyond all previous accounts of the Hiss case re creating its improbably twists and turns and disentangling the motives that propelled a vivid cast of characters in unpredictable directions A rare conjunction of exacting scholarship and narrative art Whittaker Chambers is a vivid tapestry of 20th century history

Whitaker Chambers Sam Tanenhaus,1999-08-31 [An Un-American Life](#) Sam Tanenhaus,2007-01 The author charts the story of Whittaker Chambers whose transformation from Communist agent to anti Communist witness climaxed in 1948 when he testified against Alger Hiss a senior U S State Department official in the controversial trial that shook and changed America

Witness Whittaker Chambers,2014-12-09 1 New York Times bestseller for 13 consecutive weeks As long as humanity speaks of virtue and dreams of freedom the life and writings of Whittaker Chambers will ennoble and inspire

PRESIDENT RONALD REAGAN One of the dozen or so indispensable books of the century

GEORGE F WILL *Witness* changed my worldview my philosophical perceptions and without exaggeration my life

ROBERT D NOVAK from his Foreward Chambers has written one of the really significant American autobiographies When some future Plutarch writes his American Live he will find in Chambers penetrating and terrible insights into America in the early twentieth century

ARTHUR SCHLESINGER JR Chambers had a gift for language to call Chambers an activist or *Witness* a political event is to say Dostoevsky was a criminologist or *Crime and Punishment* a morality tract

WASHINGTON POST Chambers was not just the witness against Alger Hiss but was also one of th articulators of the modern conservative philosophy a philosophy that has something to do with restoring the spiritual values of politics

SAM TANENHAUS author of Whittaker Chambers One of the few indispensable autobiographies ever written by an American and one of the best written too

HILTON KRAMER *The New Criterion* First published in 1952 *Witness* is the true story of Soviet spies in America and the trial that captivated a nation Part literary effort part philosophical treatise this intriguing autobiography recounts the famous Alger Hiss case and reveals much more Chambers worldview and his belief that man without mysticism is a monster went on to help make political conservatism a national force

Regnery History s Cold War

Classics edition is the most comprehensive version of Witness ever published featuring forewords collected from all previous editions including discussions from luminaries William F Buckley Jr Robert D Novak Milton Hindus and Alfred S Regnery

Ghosts on the Roof Whittaker Chambers, Terry Teachout, Milton Hindus, 2017-07-05 Whittaker Chambers is one of the most controversial figures in modern American history a former Communist spy who left the party testified against Alger Hiss before the House Un American Activities Committee and wrote a classic autobiography Witness Dismissed by some as a crank reviled by others as a traitor Chambers still looms as a Dostoevskian figure over three decades after his death in 1961 A man of profound pessimism rare vision and remarkable literary talents his continuing importance was attested to when Ronald Reagan posthumously awarded him the Medal of Freedom in 1984 Ghosts on the Roof originally published in 1989 brings together more than fifty short stories essays articles and reviews that originally appeared in Time Life National Review Commonweal The American Mercury and the New Masses Included are essays on Karl Marx Reinhold Niebuhr James Joyce Franz Kafka George Santayana Dame Rebecca West Ayn Rand and Greta Garbo These show Chambers at his best as a peerless historian of ideas

Whittaker Chambers Richard M. Reinsch, 2023-08-22 What Chambers Can Teach Us Whittaker Chambers is rightly remembered for his pivotal role in the electrifying Alger Hiss spy case But as Richard Reinsch reminds us in this volume of the acclaimed Library of Modern Thinkers series Chambers was more than just a government informant he was a profoundly important thinker who grappled with the nature of modern man s predicaments Whittaker Chambers The Spirit of a Counterrevolutionary shows that Chambers s thought posed and still poses a challenge to American conservatism and its typical focus on markets and small government In his journalism essays personal correspondence with the likes of William F Buckley Jr and landmark autobiographical tome Witness Chambers engaged more broadly analyzing the fundamental question of who man is and the classical and spiritual foundations of civilization Defying conventional thinking Reinsch argues that the former Communist spy may have been more right than wrong when he predicted that the West would lose the Cold War While the Soviets Communist system did of course collapse the spiritual and philosophical sickness that Chambers identified Reinsch suggests has not been cured

Notes from the Underground Whittaker

Chambers, 1997-09 Ralph de Toledano the Newsweek reporter covering the Hiss trial technically for perjury quickly became close friends with Chambers The two men began exchanging letters in 1949 and continued for the rest of Chambers s life

Nixon's First Cover-up H. Larry Ingle, 2015-07-07 Have you ever thought you completely knew a story inside and out only to see some new information that shatters what you had come to accept as unquestioned fact Well Richard Nixon is that story and Nixon s First Cover up is that new information With few exceptions the religious ideologies and backgrounds of U S presidents is a topic sorely lacking in analysis H Larry Ingle seeks to remedy this situation regarding Nixon one of the most controversial and intriguing of the presidents Ingle delves more deeply into Nixon s Quaker background than any previous scholar to observe the role Nixon s religion played in his political career Nixon s unique and personally tailored brand of

evangelical Quakerism stayed hidden when he wanted it to but was on display whenever he felt it might help him advance his career in some way Ingle's unparalleled knowledge of Quakerism enables him to deftly point out how Nixon bent the traditional rules of the religion to suit his needs or in some cases simply ignored them entirely This theme of the constant contradiction between Nixon's actions and his apparent religious beliefs makes Nixon's First Cover up truly a groundbreaking study both in the field of Nixon research as well as the field of the influence of religion on the U.S. presidency Forty years after Nixon's resignation from office Ingle's work proves there remains much about the thirty-seventh president that the American public does not yet know

Alger Hiss, Whittaker Chambers, and the Schism in the American Soul Patrick Swan, 2003
In 1952 Random House published Whittaker Chambers's *Witness* Not only did it immediately become a bestseller it was recognized by many as one of the great spiritual autobiographies of the twentieth century In *Alger Hiss: Whittaker Chambers and the Schism in the American Soul* editor Patrick Swan marks the fiftieth anniversary of *Witness*'s publication by anthologizing 23 of the best essays ever written on Chambers Hiss or both Essays by literary luminaries such as Leslie Fiedler Arthur Koestler Lionel Trilling Rebecca West Murray Kempton and William F. Buckley Jr. tell the story of these two fascinating and ultimately mysterious men and of

what they and their conflict represented Sampling the entire spectrum of respectable thought on Hiss and Chambers these pieces do not as a rule trouble themselves much with the facts of the case Hiss's guilt was not so much in doubt then and is certainly well documented by now But the essayists divergent opinions on the nature of communism and anticommunism liberalism the proper relationship between religion and politics and many other issues remain provocative perhaps even more so now than when they were written
