Sonoma Quadrant:

Sonoma Quadrant C.H. Foertmeyer,2002-09-05 Near Fordyce New Mexico in the midst of the Sonoma Desert lies the Sonoma Quadrant No airplanes have ever disappeared in the Quadrant Obviously no ships have ever disappeared there either What has disappeared there People For hundreds of years people have gone into the Sonoma and have never returned Public records in nearby Fordyce indicate seventy two such disappearances dating back as far as 1874 when records were first kept Records from the abandoned Mexican village of Sonoma Rojo indicate disappearances dating back to 1644 Indian legends dating back to the Anasasi hint at the mysterious area as a place one does not return from But one man did emerge In 1880 a prospector known only as Griswald was allowed to leave Now in 2003 Griswald is returning to the Quadrant and taking with him Tom and John Fischer How could he still be alive Why after one hundred and twenty three years would Griswald return In this sequel to C H Foertmeyers The Cats Lair you will once again travel with the Guardians and discover things that may change forever the way in which you view the struggle between the powers of good and evil You really havent a clue

Sonoma Quadrant C. Foertmeyer,2012-04-12 Have you ever wondered if the Bermuda Triangle is for real or just a place of unlikely mishaps The citizens of Fordyce New Mexico have often wondered that about their Sonoma Quadrant No airplanes have ever disappeared in the Quadrant No ships have ever disappeared there either for the Quadrant as close as anyone has been able to determine is a thirty six square mile area in the middle of a desolate desert area known as the Sonoma What has disappeared there People For hundreds of years people have gone into the Sonoma and have never returned They have never been found nor heard from again Public records in nearby Fordyce indicate seventy two such disappearances dating back as far as 1874 when records were first kept Records from the abandoned Mexican village of Sonoma Rojo indicate disappearances dating back to 1644 Indian legends in the area claim many more dating back to the time of the Anasasi But one man did emerge from his disappearance into the Sonoma In 1880 a prospector known only as Griswald was allowed to leave Now in 2003 Griswald is returning to the Quadrant and taking with him Tom and John Fischer Why after one hundred and twenty three years would Griswald return How after so many years could he still be alive Why did he not share his secret with the world In this sequel to The Cats Lair you will discover things that may change forever the way in which you view the struggle between the powers of good and evil

Badr C. H. Foertmeyer,2007-03-25 Marlin Goldburg a forty year old Jewish realtor living in the United States is killed in a terrible traffic accident Later that day in Sarsarif Iraq Abdul Halim is blessed with the birth of his first son whom he names Badr What can the two events have in common As the years go by Badr is taught at home hate for the rich American Jews that finance Israel s existence in Arab lands His father and uncles teach him to hate all infidels especially the American infidels who have now invaded his country and hometown But as the lessons in hate began so did Badr s dreams of pale white hands always held together as if in prayer The praying pale white hands obviously those of an infidel seem to be in direct contrast to his family s teachings So whose

hands are they and what are they trying to tell Badr who has now grown up to be Lone Wolf the most deadly of Iraqi insurgents Is Marlin Goldberg speaking to Badr from the grave But how and why **The Caldera** C.H.

Foertmeyer,2004-07-28 Thirty four years have passed since Kevin Reynolds perpetrated the most heinous crime the citizens of Carver Montana had ever witnessed in their small alpine community Now Kevin s cousin Mitch has found a bundle of old letters written by Kevin to his father in 2001 the year of Kevin s execution His curiosity peaked Mitch has recruited two of his good friends to hike up to the Blind Valley caldera and scout out the scene of the crimes of 1969 and to try to find the hidden cave where the old mountain man Sam Elliott once lived As far as the boys are concerned their trip to Blind Valley is supposed to be a six day expedition filled with the sights and smells of the wilderness What they expect to find is a sugar bowl valley Mitch s cousin Kevin referred to as Short Pines So what do they find A seemingly peaceful valley the floor of which is thickly forested with stunted evergreens and ringed with high granite cliffs The three friends find that the Blind Valley caldera is a place of great beauty yet it is someplace very much more unworldly than they ever could have imagined

Great Dispersal Sale of the Entire World-renowned Rancho Del Paso Thoroughbred Stud ... Fasig-Tipton Co,1905 **Taylor Manse** C. Foertmeyer,2006-08 In the small village of Buffalo Brook Vermont stands Taylor Manse A stately Victorian mansion built by the Reverend Michael Mariah Taylor in 1880 its living room floors stained with the blood of at least nineteen people has just been purchased by Wade and Anne Robinson Wade a rehabber has purchased the manse as a fixer upper an investment property he hopes to flip at a large profit as soon as the rehab is completed What Wade was not told when he purchased the property from the TRI Group was the violent history of the manse He also had no idea that the TRI Group was Taylor Realty Investment Group comprised solely of the grandson of the Reverend Michael Taylor and that he is the first owner from outside the Taylor family in the manse s one hundred and twenty five year existence But in a town the size of Buffalo Brook it wouldn t be long before Wade would learn of the manse s history Now he had just five months to finish his project or face the unsettling thought of still being there in December the month in which all the previous murders had taken place every twenty five years This coming December would mark the twenty fifth anniversary of the last murders If history could be considered a predictor of the future he and Annie needed to be out of the manse by the end of November or face whatever came this way every two and a half decades **The Room Beyond the Veil** C.H. Foertmeyer,2003-09-30

Twenty one year old Tom Jewett has embarked on a new career His new job as a cub journalist with the Traber Herald sends him and his wife Sally to Traber Colorado the birthplace of Tom s great grandfather Almost immediately after settling into their new Victorian fixer upper Tom s dreams begin But are these dreams of an old room decorated with antiques and dimly lit with kerosene lamps simply dreams Maybe just maybe the room does exist Days of searching lead to absolutely nothing not a trace of the old room until one night when a terrible storm hits Traber and the power goes out It was to become the blackest of nights for young Tom Jewett and the deepest of mysteries for Sally Alex 'n Bender C. Foertmeyer,2003-01-16

Alex Carey and Bender Baxter had been friends since early childhood. Now approaching their sixteenth birthdays, Alex is drowned in the Latoon River in a tragic diving accident. While Bender goes for help, Alex is mysteriously rescued but unconscious. Never seeing his savior, assuming him to be Jubel Owens, a local hermit, Alex and Bender set out to find and thank Old Jubel. What lies across Old Jubel's Bridge in the Oregon wilderness area known as Old Jubel's Woods are the answers to age-old questions the white man has been seeking since first discovering the Oregon Territories. Alex and Bender are about to find out what the local Indians have always known but would never consider sharing with the white intruders from the east. The Native Americans knew what the outcome would be if the white man ever discovered the truth.

Bewildered C.H. Foertmeyer, 2005-02-01 In a remote mountain area of Tennessee there is a small, virtually unknown town named Jessup. The inhabitants of this town, the Jessupites, are all descendants of the original Puralist religious movement that settled Jessup in the early 1800s, all save one. Doctor John Roberts has only been a member of the community for the past five years, having moved to Jessup upon the occasion of his grandmother's death. John's grandmother had at one time been a Jessupite but had left the community in disenchantment with the Puralist way of life. What Abigail Wilson Roberts left behind at her demise was a diary that told all about Jessup and the Puralists and something else that immediately caught John's attention. What he read in the diary motivated his move to his grandmother's former home in the mountains of Tennessee. Now that John Roberts had moved into Jessup, the Puralists had a real doctor for the first time in their existence, and along with him came problems the Jessupites never imagined they would ever face. What John Roberts brought with him would test their moral convictions and eventually threaten their very existence.

Moon Cave C. H. Foertmeyer, 2004-03 On the east face of the Canyon del Rio Hondo there is an ancient cave known to the Mescal Indians as Moon Cave. It is a sacred place to the Mescal, used for the Ceremony of the Ancients, a ceremony performed every five years rewarding the five most honored braves for their bravery and honesty. The ceremony must take place in Moon Cave because that is where the great medicine man Owan atan created the magic. The reward the braves receive is the opportunity to go back in time to live among their ancestors in the old way of life. This is a great honor, and the fact that there is no way back to their former lives is of no relevance to the selected braves. But what does this mean to Denny Miller, who innocently enters Moon Cave during the 2004 ceremony and finds himself suddenly living in 1874? And what does this mean to Scott Franklin Denny's best friend, who is determined to find out what happened to his vanished friend and help him if he can? Scott coerces Cha tah wa, a local Mescal shaman, into taking him back to 1874 to search for Denny, and the adventure begins.
