

THE PLOT THICKENS

An expansion for The Resistance

The "Plot Thickens" introduces Plot cards. These cards provide additional opportunity for Character affiliations to be identified or concealed.

The Plot cards are marked to indicate which cards are included in the game for the number of players present. Games of 5-6 players use 7 Plot cards; games with 7+ players use all 15 Plot cards.

Plot cards are not secret. Flip over Plot cards as soon as they are drawn and keep them exposed as long as they remain in play.

Distributing Plot Cards:

At the beginning of each Round the leader draws Plot cards (*1 for 5-6 players, 2 for 7-8 players and 3 for 9-10 players*) and distributes the drawn Plot cards to the other players (*not himself*). Remember there are only 5 Rounds in the game.

Playing Plot Cards:

There are three types of Plot cards. Cards with the Leader symbol (★) on them are used immediately then discarded, those with a "one" icon (1) are held until used, and one card with a square icon (■) which remains in play for the entire game. If a situation arises in which multiple Plot Cards could be used, precedence and order is determined by proximity to the Leader (*starting with the Leader in a clockwise manner*). Each player gets one chance to play any applicable cards, a player may not pass and then subsequently elect to play cards later in the same opportunity. Information gained by the use of a Plot card can be discussed, but a player's Character, or Mission cards may never be shown to the other players.

Detailed Card Descriptions:

Overheard Conversation – Use immediately – The player to whom the Leader passes this card must look at the Character card of one adjacent player.

Opinion Maker – Permanent Effect – The player to whom the Leader passes this card must select and reveal their Vote token before any other players have selected their Vote tokens. This card remains in effect until the end of the game. If two "Opinion Maker" cards are in play those players must reveal their votes simultaneously.

Establish Confidence – Use immediately – The Leader must pass their Character card to any other player for examination.

Open Up – Use immediately – The player to whom the Leader passes this card must pass their Character card to any other player (including the Leader) for examination.

No Confidence – One time use - The player to whom the Leader passes this card may use this card to reject an approved Mission team (successful Vote). Using this card counts as a failed Vote.
