Simon Haxey,1939 **Eight years of Tory government, 1895-1903: home affairs** Liberal publication dept,1903 *Eight Years of Tory Government, 1895-1903* Augustine Birrell,1903 The Decade in Tory Russell Jones,2022-10-27 In 2020 the United Kingdom reached a bewildering milestone ten successive years of Conservative rule In that decade there were three prime ministers each in turn described as the worst leader we ever had ministerial resignations by the hundred and an unrelenting stream of ineffectual divisive bum slurry oozing from 10 Downing Street The Decade in Tory is an inglorious rollicking and entirely true account of ten years of demonstrable lies relentless incompetence epic waste serial corruption official police investigations anti democratic practices abuse of power dereliction of duty and hundreds of thousands of avoidable deaths With his signature scathing wit Russell Jones breaks down the government s interminable failures year by year covering everything from David Cameron s pledge to tackle inequality which reduced UK life expectancy for the first time since 1841 through the bewildering storm of lies and betrayals that led to Brexit devastating education cuts serial mismanagement of the NHS and Boris Johnson s calamitous response to the Covid 19 pandemic It will leave you gasping and wondering can things possibly get any worse

Men Who Hate Women Laura Bates,2021-03-02 The first comprehensive undercover look at the terrorist movement no one is talking about Men Who Hate Women examines the rise of secretive extremist communities who despise women and traces the roots of misogyny across a complex spider web of groups It includes eye opening interviews with former members of these communities the academics studying this movement and the men fighting back Women s rights activist Laura Bates wrote this book as someone who has been the target of many hate fueled misogynistic attacks online At first the vitriol seemed to be the work of a small handful of individual men but over time the volume and consistency of the attacks hinted at something bigger and more ominous As Bates went undercover into the corners of the internet she found an unseen organized movement of thousands of anonymous men wishing violence and worse upon women In the book Bates explores Extreme communities like incels pick up artists MGTOW Men s Rights Activists and more The hateful toxic rhetoric used by these groups How this movement connects to other extremist movements like white supremacy How young boys are targeted and slowly drawn in Where this ideology shows up in our everyday lives in mainstream media our playgrounds and our government By turns fascinating and horrifying Men Who Hate Women is a broad unflinching account of the deep current of loathing toward women and anti feminism that underpins our society and is a must read for parents educators and anyone who believes in equality for women Praise for Men Who Hate Women Laura Bates is showing us the path to both intimate and global survival Gloria Steinem Well researched and meticulously documented Bates s book on the power and danger of masculinity should be required reading for us all Library Journal Men Who Hate Women has the power to spark social change Sunday Times

Tories could it get any worse Spoiler it does Towards the end of 2021 Britain had been frogmarched into an escalating series of surreal calamities Brexit was a disaster the NHS was in crisis the government was bathed head to toe in impropriety senior Tories were still acting as though the public purse was their personal feed trough and the air crackled with anger about PartyGate All of which led to an inglorious start to 2022 the year the UK saw two monarchs three prime ministers and four chancellors From Boris Johnson who trashed our international reputation and handed billions to his mates so they could ineptly fight a pandemic while he stayed at home shagging and acting as a super spreader to Liz Truss a drive by prime minister who managed to kill off the queen and crash the economy in a single week And now we re led by Rishi Sunak who doesn t know how to use a credit card drives a pretend car and grinningly promises even more poverty Four Chancellors and a Funeral delivers more of Russell Jones s signature scathing wit combining a detailed historical record of 2021 and 2022 with acerbic commentary all of it leavened by jokes at the seemingly endless maelstrom of failures nincompoops and hypocrisies

[Humanitarian and Military Intervention in Libya and Syria](#) Aran M. Lewis,2022-12-30 This book explores the contradictions in Britain s humanitarian and military intervention in Libya and Syria beginning with the Arab spring in 2010 The book assesses the contradictions between the expressed humanitarian intentions of British military interveners and the impact of their actions on the putative beneficiary states It demonstrates that as a result of foreign intervention both Libya and Syria were rendered non functional as unitary nations and suffered extensive harm to their people and infrastructure To evaluate the effectiveness and credibility of humanitarian warfare the author conducts a thematic analysis of debates on Libya and Syria in the House of Commons The book provides a detailed study of intentions and motives expressed by Members of Parliament of consequent British state actions and their outcomes and of MPs reactions to outcomes It provides ample evidence of duplicity insincerity indifference to harm and ulterior motives for violence that undermine moral claims and support the argument that although humanitarian warfare may be possible the leading Western activist states Britain France and the USA are poorly qualified to carry it out Illustrating a systemic failure of strategy and accountability in British foreign policy this book will be of interest to scholars
