

# ECONOMIC DEVELOPMENT & TOURISM STRATEGY

## **TOURISM SUB-STRATEGY**

Positions the Town as a destination for investment and growth in the Tourism sector (including recreation, sports, culture and heritage tourism).

## **GREEN ECONOMY SUB-STRATEGY**

Builds on Council's climate change priorities and leverages key related initiatives to position Halton Hills as a leading destination for investment and growth in the clean technology/low-carbon economy sectors.

## **MARKETING SUB-STRATEGY**

Includes marketing, branding and visioning statements, as well as a practical suite of marketing collateral and actions to raise awareness of Halton Hills as a prime investment destination.

## **BROWNFIELD SUB-STRATEGY**

Focuses on addressing regulatory, land-use planning and financial challenges and opportunities posed by brownfield sites, with the objective to promote remediation, rehabilitation, adaptive re-use and overall redevelopment of brownfields.

## **FDI ATTRACTION STRATEGY**

A 5-year roadmap and 3-year Action Plan to support Halton Hills in being proactive and competitive in growing the local economy by identifying new international markets and actions to best access them.

Updated Annually *Guernsey Economic Development Strategy Handbook*      **The Impact of Global Industrial**  
**Manufacturing and the Development Strategy of New Energy and New Technologies under the Action of Carbon**  
**Reduction** Wen-Tsao Pan,Keping Yu,Yiwen Zhang,Weilin Xiao,Chi Lau,Shan Shan,2024-01-26 In the context of the climate  
crisis governments reached a consensus on promoting enterprises and organizations to take relevant carbon reduction  
actions in the United Nations Climate Change Conference COP 26 held in Glasgow on November 1 2021 The topic of carbon  
reduction will continue to be discussed at the 27th Conference of the Parties COP27 of the United Nations Climate Change  
Conference in 2022 The international community expects all parties to truly implement their commitments to reduce  
emissions and take joint actions to effectively address the crises and challenges brought about by climate change Carbon  
dioxide will lead to the global average temperature warming year by year The use of coal oil and natural gas and the  
emission of exhaust gas are the main driving factors of global warming In addition the causes of global warming also include  
the reduction of plants due to deforestation      **Economic Research Studies of the Economic Development**  
**Administration** ,1985      *China's Economic Reform* Robert Ash,Christopher Howe,Y Y Kueh,Y. Y. Kueh,2013-10-18 This  
book presents a collection and analysis of original policy documents newly translated into English from a key period of  
Chinese development providing both a current and a retrospective analysis of China s economic reform efforts Topics dealt  
with include the evolution of Chinese economic strategy economic planning and the spread of market mechanisms technology  
transfer in industry evolution of an agricultural system the development of population policy and foreign economic relations  
The collection will be of great interest not only to scholars and students of Chinese studies but also to professionals and  
social scientists concerned with China but unable to read source documents in Chinese      Local Economic and Employment  
Development (LEED) Organising Local Economic Development The Role of Development Agencies and Companies Clark  
Greg,Huxley Joe,Mountford Debra,2010-04-06 This book identifies how development agencies and companies work what they  
do and how they can collaborate and what constitutes success and value added in their efforts to achieve local economic  
development      **The Strategy of Economic Development. (Third Printing.).** Albert Otto HIRSCHMAN,1960  
**Towards a New Development Strategy for Latin America** Simón Teitel,1992 The case against one thing at a time  
Development dichotomies and economic strategy The success of growth policies in Brazil Linkages and the strategy of  
development Economic growth and disequilibrium in Colombia The role of technology in economic development Equity and

growth in Mexico What role for the state in Latin America Economic and political instability in Chile Trade policies and industrialization Growth and stagnation in Argentina What development strategy for Latin America The Politics of Urban Development Clarence Nathan Stone, Heywood T. Sanders, 1987 In the past twenty years the study of urban politics has shifted from a predominant concern with political culture and ethos to a preoccupation with political economy particularly that of urban development Urban scholars have come to recognize that cities are shaped by forces beyond their boundaries From that focus have emerged the views that cities are clearly engaged in economic competition that market processes are shaped by national policy decisions sometimes intentionally and sometimes inadvertently and that the costs and benefits of economic growth are unevenly distributed But what else needs to be said about the policies and politics of urban development To supplement prevailing theories The Politics of Urban Development argues that the role of local actors in making development decisions merits closer study Whatever the structural constraints politics still matters Collectively the essays provide ample evidence that local government officials and other community actors do not simply follow the imperatives that derive from the national political economy they are able to assert a significant degree of influence over the shared destiny of an urban population The impact of the collection is to heighten awareness of local political practices and of how and why they make a difference **Strategy Workshops Report**, 1972 **Reconstructing Times Square** Alexander J. Reichl, 1999 When the big ball drops on New Year's Eve thousands are there to witness that great glittering sight while millions more watch on national television Times Square may be the cultural hub of America the Crossroads of the World but its lights have not always shone as brightly as they do now Once a glamorous theater district Times Square and 42nd Street had degenerated into a neighborhood known for the winos and sex shops of Midnight Cowboy until New York's business and arts communities stepped in These advocates of urban revitalization exploited cultural and historic preservation arguments to transform a low income entertainment district into a Disney fied tourist mecca Where Ratso Rizzo once kicked cars and hookers plied their trade Mickey Mouse now greets visitors from atop a Disney superstore surrounded by rising office towers theaters and theme restaurants all thanks to huge tax subsidies and government support Alexander Reichl tells the fascinating story of how cultural politics and economic greed transformed the city's physical and social environment with an ongoing multibillion dollar redevelopment program changing the district from a symbol of urban decline to one of urban renaissance He explains the political significance of the historic preservation and arts related approach to urban revitalization showing how it was used to appeal to the upscale values of middle class New Yorkers often hostile to urban renewal He also examines the role of the Walt Disney Company in the project and demonstrates its power to redefine a premier public space In telling the story of Times Square Reichl reveals much about politics and power at the city level and their relationship to the development of urban space He frames his lively narrative with an illuminating account of how historic preservation initiatives at all government levels have displaced large scale federal urban renewal programs as the

dominant approach to urban development and he shows the importance of political discourse and cultural politics in mobilizing public support for urban redevelopment Now that it has been reconfigured for the 21st century Times Square provides a rich and multifaceted case for exploring the latest trends in urban renewal Yet Reichl suggests much that has happened here is regrettable the ousting of low income citizens to serve commercial interests the loss of a culturally diverse entertainment district and the failure to address persistent class and race based segregation in a central urban area By getting to the heart of the Great White Way *Reconstructing Times Square* provides an important look at urban renewal and politics in a changing America Strategy and Tactics in Mountain Ranges Thomas Miller Maguire,1904 Journal of the House of Representatives of the United States United States. Congress. House,1998 Some vols include supplemental journals of such proceedings of the sessions as during the time they were depending were ordered to be kept secret and respecting which the injunction of secrecy was afterwards taken off by the order of the House **The Massachusetts register** ,1992-03-13 *National Strategy and Action Plan for Low Carbon Development, 2012* ,2012 **The Development of Rural America** George Loris Brinkman,1974 **Proceedings & Reports of Seminars and Research Conducted Within the Center for Yugoslav-American Studies, Research and Exchanges** Florida State University. Center for Yugoslav-American Studies, Research, and Exchanges,1978
