## Stratford Story:

Shakespeare and Canada Irena R. Makaryk, Kathryn Prince, 2017-03-08 Shakespeare in Canada is the result of a collective desire to explore the role that Shakespeare has played in Canada over the past two hundred years but also to comprehend the way our country's culture has influenced our interpretation of his literary career and heritage What function does Shakespeare serve in Canada today How has he been reconfigured in different ways for particular Canadian contexts The authors of this book attempt to answer these questions while imagining what the future might hold for William Shakespeare in Canada Covering the Stratford Festival the cult CBC television program Slings and Arrows major Canadian critics such as Northrop Frye and Marshall McLuhan the influential acting teacher Neil Freiman the rise of Quebecois and First Nation approaches to Shakespeare and Shakespeare's place in secondary schools today this collection reflects the diversity and energy of Shakespeare's afterlife in Canada Collectively the authors suggest that Shakespeare continues to offer Canadians remembrance of ourselves This is a refreshingly original and impressive contribution to Shakespeare studies a considerable achievement in any work on the history of one of the central figures in the western literary canon The Cumulative Book Index, 1930 **The Dictionary of National Biography** Leslie Stephen, Sir Sidney Lee, 1921 *The Best Short Stories of ... and the Yearbook of the American Short Story*, 1919 **The Dictionary of National Biography, Founded in 1882 by George Smith**, 1922 **Dictionary of National Biography** Leslie Stephen, Sir Sidney Lee, 1897 Best Short Stories Martha Foley, Edward Joseph O'Brien, 1919 History of the Family of Maunsell (Mansell, Mansel), 1920 **A History of Women's Work** Janet Few, 2025-07-30 Uncovers the vital yet often hidden roles women played in households industries and paid employment throughout history A History of Women's Work explores the often overlooked contributions of women throughout history particularly in a patriarchal society where men have dominated the historical record While men were more likely to leave traces through wills leases and civic duties women laboured behind the scenes performing crucial yet unpaid tasks for their families and communities In many households women supported their husbands work ran home based industries or sought paid employment despite societal restrictions This book delves into three main areas of women's work household tasks home industries and paid employment outside the home Through case studies and practical research tips it sheds light on the lives of these women encouraging readers to uncover their own female ancestors stories and contribute to a richer understanding of women's history The Journal of Education, 1930 **Official Master Register of Bicentennial Activities** American Revolution Bicentennial Administration, 1975 Complete Report of Iowa State Fair and Exposition Iowa State Fair Board, 1930 *"A" Biography of William Shakespeare* Charles Knight, 1875 **Book Bulletin** Chicago Public Library, 1914 **A Biography of William Shaksper ... **Apocalypse, Revolution and Terrorism** Jeffrey Kaplan, 2018-09-21 This book focuses on religiously driven oppositional violence through the ages. Beginning with the 1st century Sicari it examines the commonalities that link apocalypticism, revolution and terrorism occurring in Judaism, Christianity and Islam past and present. It is divided into two sections: This was Then and This is Now, which together examine the cultural and religious history of oppositional violence from the time of Jesus to the aftermath of the 2016 American election. The historical focus centers on how the movements' leaders and revolutionaries from earlier times are interpreted today through the lenses of historical memory and popular culture. The radical right is the primary but not exclusive focus of the second part of the book. At the same time, the work is intensely personal in that it incorporates the author's experiences in the worlds of communist Eastern Europe, in the Iranian Revolution, and in the uprisings and wars in the Middle East and East Africa. This book will be of much interest to students of religious and political violence, religious studies, history, and security studies.
