Street Souls:

Street Souls William S. Hatting, 2010-01-01 Tom Mathews is at his lowest on the streets of San Francisco He is a nonperson without money job decent clothes or home He is homeless Everyday is bad with rarely enough food But the worst is winter and the ever constant cold A chill permeates the deepest core of his being In *Street Souls* you'll also meet an array of strange characters based on real street people Among them are the rulers of the street the street thugs They add to Tom's difficulty through terror and violence and he is forced to respond in kind He can't even think about a normal life because of the fight for mere existence Personal achievement is measured by getting through one more day without dying the homeless die every day but when police are attacked and begin to die as well roundups investigations and brutality begin When a naive undercover policewoman is assigned to the streets Tom's life becomes even more complicated trying to save another's life even while he is scrambling for his own How did Tom become a street person Much easier than you think So easy that it might well happen to you *Street Souls* is a fast paced story even as it offers a rough raw view of what it's really like to be homeless in San Francisco
