*Street Money* Bill Kent, 2025-10-16 In some parts of Philadelphia you don't die you don't get murdered you don't commit suicide or fall off a roof or come home and light a cigarette when the oven pilot has gone out blowing half the block to Kingdom Come You get yourself dead It was Benny Lunch who got himself dead Benny Lunch because he believed that no matter how bad things got no matter how much people hated each other and tried to kill each other you could get them to sit down at a meal and work out their differences He'd get them together and somehow arrangements were made deals were greased details would get ironed out and if you were to ask Ben how it came down he'd just shrug his shoulders and say in that side of the mouth way he had of talking that all he did was pick up the check But Benny Lunch got himself dead And now it is up to Benny Cosicki's daughter Andrea to find out who and why Tall Andy a demon with a basketball just out of the University of Pennsylvania and aiming for a membership in the Newspaper Guild Andy is going to find her father's killer because for sure he was killed it was no accident Benny Lunch knew the fire ruined old neighborhood bar well enough to keep from falling through the second story floor Benny had met and married Andy's mother there the bar had Benny's history in its blackened beams So here is Andy just hired by the Philadelphia Press to take over the Mr Action column which hasn't been in action for several months citizen complaints piling up all the while Andy quickly discovers that the quiet man next to her Shep Ladderback whose desk is always clean has a cabinet full of files holding everything about everybody He's also got a mind stuffed with memory and brains that work quietly and flawlessly and she is more than lucky that he's taken it on himself to be her guide Kent's years as a newspaperman in Philadelphia has been the perfect training for a book like *Street Money* He knows the delicious details of the way politics works at the local level He is as savvy about the scam artists fattening on the pretensions of the new suburban homeowners as he is about the former drug dealer who preaches hell and damnation in a deserted neighborhood bank He takes us behind the scenes in a big city newspaper You could almost think of him as the live model for the all knowing Ladderback Between the assertive independent but still learning Andy and the reclusive and somehow larger than life Ladderback all sorts of wrongdoing and ill will is uncovered It almost seems that with Benny Lunch's death the things he was able to bury with his lunches and thought were gone forever are now surfacing to challenge his daughter But having met Andy we root for her as she accepts the challenge [Annual Report](#) United States Christian Commission, 1863 [Street Money: Never Trumped Over](#) Stacks, 2019-06-05 This story follows the life of different hustlers and the ways they hustle to live both male and female but mainly this is about the life of Jay Sean Moss Jay used to hustle in a trap but then he switched up to the robbery game hitting a store that landed him in jail That was then and this is now and Jay has just been released from prison on a reduced armed robbery charge because of lack of evidence Now he's working but he's starting to realize that honest money isn't what he's used to Will he pick up the dope and gun and hit the streets again or will he stay at work and continue to try to stay on the right path in life Let's not forget he is from the streets

So will his past affect his future while living in the hood where a black man is a product of his environment What the f k you think
