Bulletin Harvard Medical Alumni Association, 1905 **Coming Up from the Streets** Tessa Swithinbank, 2014-10-14 The success story of The Big Issue is both inspirational and paradoxical rather than a charity it is a flourishing commercial enterprise but one that genuinely benefits those involved The magazine is sold by homeless and vulnerable people and in return they achieve financial independence and status and self reliance The story of the paper s development has a practical angle it should offer help and insights to NGOs and governments involved with the homeless or to those businesses wishing to set up enterprises for the common good *Faces of Homelessness in the Asia Pacific* Carole Zufferey, Nilan Yu, 2017-07-20 Across the Asia Pacific there are a vast range of experiences of homelessness and an equally diverse range of responses from state systems Since understandings of homelessness are also heavily dependent on geographical cultural and historical contexts attitudes towards it as a social problem are essentially underpinned by ideological considerations With a particular focus on critical and international policy and practice this book builds upon the current scholarship of homelessness across the Asia Pacific Through examining and comparing a range of state responses it explores the differing definitions and lived experiences of the issue in a number of countries including Japan China India Korea and Australia The book analyses a range of key themes from welfare provision and legislation to the services provided and the roles played by non governmental organisations whilst also recognising the effects of class gender and ethnicity on homelessness in the region Taking an interdisciplinary approach *Faces of Homelessness in the Asia Pacific* will be useful to students and scholars of Social Policy Urban Sociology Psychology and Asian Studies **New U.S. Federal Courthouse, Boston** ,1992
