Back Pain Remedies For Dummies Michael S. Sinel, William W. Deardorff, 2011-05-12 Get back in control of your back pain Back pain is such a common condition that many doctors and researchers consider the complaint a normal part of life similar to having an occasional cold or flu If you are a back pain sufferer you are not alone Back pain affects more than 80 percent of the population at some time during their lifetime Back pain is second only to the common cold as a reason for visits to the doctor and it is second only to childbirth as a reason for hospitalization Approximately 50 percent of the working population reports back problems every year The total medical cost of back pain exceeds 20 billion dollars a year in the United States Back Pain Remedies For Dummies takes a holistic approach to back pain prevention and treatment Exploring the therapeutic options from conventional medicine to popular alternative treatments this patient friendly guide gives you a heads up on how to relieve pain now and avoid future injuries plus Boning up on your spinal column's pieces and parts Uncovering some conditions that cause back pain Examining the lineup of doctors who treat what ails your back Taking your pain lying down or not Giving weight to alternative therapies including yoga acupuncture and imagery exercises Promoting the importance of good posture Returning to work and play with a healthy outlook Saying yes to sex after a back injury As you try to manage your back pain problem and investigate various treatment approaches you can help yourself by being assured and hopeful that you can remedy your problem This reliable reference gives you plenty to reason to believe that back pain does get better and successful treatment is possible You can expect to find the best treatment for your back problem when you have some understanding of who treats back pain how he or she treats it and why using a multidisciplinary approach is important all of that awaits in Back Pain Remedies For Dummies

The Acid Alkaline Lifestyle Larry Trivieri, Neil Raff, MD, 2015-04-07 The human body is a truly magnificent creation And because of its ability to regulate balance repair and protect itself the latest scientific research shows that each of us has the capacity to function well for at least one hundred and twenty years So why do most of us only make it to our seventies Why are so many of us afflicted with degenerative diseases And why are the diseases that once only plagued the elderly heart disease diabetes osteoporosis arthritis and cancer now increasingly affecting our younger generations Why does the gift of long healthy life seem so unattainable What is it that we are missing In *The Acid Alkaline Lifestyle* bestselling author Larry Trivieri Jr and Dr Neil Raff provide a simple solution to that very important question For decades physicians and medical researchers have used the body's acid alkaline balance or pH levels as a way of determining a patient's overall health status The problem is that the most accurate and commonly used test used to check acid alkaline balance the pH blood test rarely reveals a shift away from a normal pH reading until acute life threatening diseases strike And by then it is often too late to do anything While a pH blood test may read normal what the test does not show is what your body may be forced to do to keep it that way as it combats and seeks to compensate for the excess acidity that inside that afflicts the vast majority of us today Left undetected this corrosive buildup of acid sets the stage

for most of the disease conditions afflicting our nation today Over the years a number of books have appeared promoting ways to keep acid alkaline levels in check through diet and nutrition But to truly achieve and maintain acid alkaline balance requires far more than diet and nutrition alone And now for the first time here is a book that lays out all of the other essential elements for creating vibrant health The Acid Alkaline Lifestyle is not simply another book about diet and pH It s a book about the first and only complete and comprehensive acid alkaline balancing program of its kind one that goes far beyond diet and nutrition alone What the authors have done in this book not only explains the problems caused by excess acidity but also and more importantly spells out the proven safe and effective self care methods that anyone can use to dramatically improve their health enhance their sleep cope with stress and get the most out of exercise with a lot less effort all while providing the best nutritional eating plan for balancing pH throughout the body The Acid Alkaline Lifestyle provides all the practical information you need to restore and maintain your health and boost your energy so that you can achieve a longer healthier life the way nature intended
