Suicide Cliff:

Mass Suicides on Saipan and Tinian, 1944 Alexander Astroth, 2019-03-28 When the Americans invaded the Japanese controlled islands of Saipan and Tinian in 1944 civilians and combatants committed mass suicide to avoid being captured Though these mass suicides have been mentioned in documentary films they have received scant scholarly attention This book draws on United States National Archives documents and photographs as well as veteran and survivor testimonies to provide readers with a better understanding of what happened on the two islands and why The author details the experiences of the people of the islands from prehistoric times to the present with an emphasis on the Japanese Okinawan Korean Chamorro and Carolinian civilians during invasion and occupation *Torturing Love: The Unique Master* Qu Huoshui, 2020-01-20 What kind of enmity was this to be able to cause their Father And Daughter to kill each other What kind of hatred would allow couples to harm each other The mysterious Nether Flower Palace Mistress the beautiful yet ice like woman the woman who carried grudges and tears love and hate on her back as she stepped step by step onto this bloody path Since ancient times which was the most important The most important In the end he could only sigh Destiny makes a fool out of people *D-Day in the Pacific* Harold J. Goldberg, 2007-05-02 The narrative moves smoothly and crisply There is effective treatment of strategy preparations and then the invasion and battle for Saipan itself Spencer C Tucker author of *American Revolution* In June 1944 the attention of the nation was riveted on events unfolding in France But in the Pacific the Battle of Saipan was of extreme strategic importance This is a gripping account of one of the most dramatic engagements of World War II The conquest of Saipan and the neighboring island of Tinian was a turning point in the war in the Pacific as it made the American victory against Japan inevitable Until this battle the Japanese continued to believe that success in the war remained possible While Japan had suffered serious setbacks as early as the Battle of Midway in 1942 Saipan was part of her inner defense line so victory was essential The American victory at Saipan forced Japan to begin considering the reality of defeat For the Americans the capture of Saipan meant secure air bases for the new B 29s that were now within striking distance of all Japanese cities including Tokyo Harold Goldberg s riveting story of this conflict brings the dead back to life by blending rigorous research with dramatic narratives by hundreds of survivors He has written a superb account of a pivotal little known and heart breaking battle Col Joseph H Alexander USMC ret author of *Storm Landings* Using recent interviews he conducted with extant US veterans Goldberg skillfully develops the soldiers view of the battle for Saipan in an engaging clearly written and interesting volume *The Journal of Military History* **Ancient Devil Monarch** Tian Shi, 2020-03-02 Was it the rebirth of a Martial Soul Or was it relying on the Martial Skills Because he had offended the three great families Yi Zhou a youngster with nine large veins who had been trapped in the Seal finally emerged from the three great academies of the Azure Sun Dynasty due to his fortuitous encounter in the Misty Forest obtaining an unknown Martial Soul and the Four Arts of the Sky Demons However in the end the Azure Sun Empire was only a small country that was subordinate to a large

country What Yi Zhou had to face were not only the various countries but also that mysterious sect and that mysterious world Under so many dangers would Yi Zhou be able to succeed
