

Golden Sun

by Lenore Hetrick

Great, glorious, golden sun,
Shine down on me today!
You are the life of all this earth,
You and your magic ray.

You are the life of bird and plant,
All must depend on you.
Shine down, great sun, the whole day long!
Shine from the heaven's blue.

And I will welcome your golden rays,
For you mean life to me,
And you mean happiness and health,
Strength and energy.

Shine down, great sun, on flower and field,
And never say goodbye.
Forever and ever give us your light
From out the wide, blue sky.

Rilke Charlie Louth,2020-06-19 The life of Rilke s work is in its words and this book attends closely to the development of that life as it unfolds over Rilke s career What is a poem and how does it act upon us when we read This is a question of the greatest interest to Rilke who addresses it in several poems and for whom the experience of reading affords an interaction with the world a recalibration of our ways of attending to it which set it apart from other kinds of experience Rilke s work is often approached in periods he is the author of the Neue Gedichte or of Malte or of the Duino Elegies or of the Sonette an Orpheus as if the different phases of his work had little to do with one another but in fact it is a concentrated and evolving exploration of the possibilities of poetic language a working of the life of words into precise and exacting forms in dialogue with the texture of the world This book traces that trajectory in a series of close readings that do not neglect the lesser known uncollected poems and the poems in French as well as Rilke s activity as a translator of Michelangelo Shakespeare Barrett Browning Mallarm and Val ry among many others These encounters were part of Rilke s engagement with the world his way of extending the reach of his language to get it ever closer to the ungraspable movements the risk and promise of life itself One of his best known poems ends with the words You must change your life an injunction that can be seen to animate the whole of his work
