Summer Palace:

The Summer Palace Lawrence Watt-Evans, 2008-06-10 The final segment of the Annals of the Chosen trilogy successfully mixes intrigue and adventure with ruminations on the nature of power and heroes Publishers Weekly All of the world is kept in a delicate balance under the supervision of the Wizard Lord It is his duty to govern lightly and protect his domain but if he should stray from the way of the just then it is up to the Chosen to intercede The Chosen are the Leader the Seer the Swordsman the Beauty the Thief the Scholar the Archer and the Speaker magically infused mortal individuals who for the term of their service have only one function to remove an errant Wizard Lord But the new Wizard Lord has now changed the playing field by neutralizing all magic in his domain both his own and that of the Chosen and has successfully killed and or blocked his adversaries and their challenges to his omnipotence Sword now on the run must work alone to restore order to their fair land and unravel the mystery of the Ninth Talisman which might be the salvation or downfall of all that is good in their well ordered land A satisfying and at times surprising conclusion to Watt Evans s trilogy This latest tale of bravery by a master of the sword and sorcery genre demonstrates his skill as raconteur Library Journal

[A History of Un-fractured Chinese Civilization in Archaeological Interpretation](#) Qingzhu Liu, 2023-02-24 This book presents an archeological interpretation of the history of Chinese civilization Tracing back from recent history to the distant past it explores the breadth of Chinese civilization Using archeological remains and cultural relics as starting points and approaching the cultural dimension from material perspectives it presents a panoramic view of China s civilizational continuity together with its ideological and cultural characteristics Featuring a wealth of illustrations including photos of cultural relics and sites archeological surveys etc and texts written in easy to understand language it offers an engaging read without sacrificing academic quality The main components of civilization are addressed capital archeology mausoleum archeology ritual wares and architecture archeology as well as written language The book offers a unique resource for archeology scholars and majors as well as general readers who are interested in Chinese archeology and history

Summer Palace, 1981 *Transactions of the Korea Branch of the Royal Asiatic Society*, 1900 *Collecting and Provenance* Jane Milosch, Nick Pearce, 2019-10-28 The study of provenance the history of the creation and ownership of an artefact work of art or specimen provides insights into the history of taste and collecting illuminating the social economic and historic trends in which an object was created and collected It is as much a history of people as it is of objects and its study often reveals intricate networks of relationships patterns of activity and motivations This book promotes the study of the history of collecting and collections in all their variety through the lens of provenance and explores the subject as a cross disciplinary activity Perhaps for the first time in a publication it draws on expertise ranging from art history and anthropology to natural history and law looking at periods from antiquity through the 18th century and the Holocaust era to the present and materials from Europe and the Americas to China and the Pacific The issues raised are wide ranging touching on aspects of

authenticity cultural meaning and material transformation and economic and commercial drivers as well as collector and object biography The book fills a gap in the study of collecting and provenance taking the subject holistically and from multiple standpoints better to reflect the widening interest in provenance from a range of disciplinary perspectives This book will be a service to the field from established scholars and museum professionals to students of collecting history cultural heritage and museum studies

The Case for Repatriating China's Cultural Objects Zuozen Liu, 2016-02-25 This book investigates China's demands for the repatriation of Chinese cultural relics lost during the country's modern history It addresses two main research questions Can the original owners or their rightful successors of cultural objects looted stolen or illicitly exported before the adoption of the 1954 Hague Convention and the 1970 UNESCO Convention reclaim their cultural objects pursuant to remedies provided by international or national law And what are the philosophical ethical and cultural considerations of identity underlying the international conventions protecting cultural objects and claims made for repatriating them The first part of the book explores current positive legal regimes while the second part focuses on the philosophical ethical and cultural considerations regarding repatriation of cultural objects Consisting of seven chapters and an introduction it outlines the loss of Chinese cultural relics in modern history and the normative framework for the protection of cultural heritage It presents case studies designed to assess the possibility of seeking legal remedies for restitution under contemporary legal regimes and examines the cultural and ethical issues underpinning the international conventions protecting cultural heritage and claims for the repatriation of cultural heritage It also discusses issues of cultural identity the right to cultural identity and heritage multiculturalism the politics of recognition cosmopolitanism the right to cultural heritage and other related issues The concluding chapter answers the two research questions and offers suggestions for future research
