Sunbathing In Siberia:

Sunbathing in Siberia Michael Oliver-Semenov, 2014-06-09 Without aiming to be a survival guide romance or autobiography *Sunbathing in Siberia* manages to be all of them and none Told completely from the Trans Siberian and a series of Russian jets this is the story of a young British poet who after becoming engaged to his translator over 3500 miles east embarks on a journey into the very heart of Siberia to marry his fiancée However in place of the desolate wasteland he expected to find Michael discovers the side of Siberia little known outside of Russia After 30 years of British rain Michael has finally to learn the art of sunbathing in the last place on Earth anyone would think to take a pair of flip flops With little knowledge of post Soviet Russia or its language and without any survival skills Michael has to adapt to the Siberian way of life As Russia struggles to find its new identity Michael too is forced to recreate himself while finding the tools needed to live with parading nuclear missiles wild bears and a host of extreme dangers
