kind of practical help needed to create strong effective homilies Still Preaching After All These Years William J. Bausch,2005 Since publication in 1984 of his seminal book on homiletics The Analemma Waltz Paul Vincent,2020-11-18 When author Paul Vincent moved into his new home in Bristol Rhode Island he was struck by how generously its interior gathered sunlight and decided to keep a record of the annual solar itinerary across its walls floors and furniture The result is The Analemma Waltz a celebration of the sun s slow motion dance through his house facilitated in part by its surfeit of windows but much more so by the analemma the narrow figure eight pattern the sun describes in the sky in the course of a year in the Earth s orbital journey Vincent s habit of noting and minuting the changing positions of sunlight day by day and week by week was the catalyst for meditations on matters of universal concern as suggested by the times and the seasons of the year and approached not from the perspective of a scholar or academic but from that of an interested layperson Such matters addressed in the monthly chapters include the study of history the virtue of tolerance the conflict between science and religion and the morality of war Despite the varied nature of the essay topics in The Analemma Waltz certain themes appear and reappear throughout the book namely the author s convictions that existential particularity is the occasion of both joy and sadness that the world s people though the beneficiaries of seemingly endless breakthroughs in technology are and will remain metaphysically vulnerable and that appreciation prompting gratitude is the highest vocation of the human person Homilies on the Sunday Gospels Thomas L. Kemp,1976 Hospital Preaching as Informed by Bedside Listening Cajetan N. Ihewulezi,2010-12-02 Hospital Preaching as Informed by Bedside Listening states the great need to sit down face to face and attentively listen to stories experiences and feelings of patients These bedside encounters with patients can well inform the preacher chaplain or pastoral minister and can result in more effective liturgical preaching in hospitals hospice prison and nursing home settings This book aims to improve pastoral care ministry of the sick This pastoral approach provides a homiletical guide for preachers pastors and chaplains involved in hospital hospice or nursing home ministries It also helps pastoral ministers to develop better listening skills for the stories and experiences of the sick as well as the ability to use these stories and experiences in the proclamation of the gospel Such intentional bedside listening and the preaching that results from listening are important for addressing the problems of the sick and can enhance emotional spiritual and physical healing **The Cumulative Book Index** ,1992 A world list of books in the English language **The Catholic Periodical and Literature Index** ,2009 *Paperbound Books in Print 1995* Reed Reference Publishing,R5ference Reed,1995-12 **Canadian Books in Print** ,2000 *Books Ireland* ,2006 *The British National Bibliography* Arthur James Wells,2009 JEGP, Journal of English and Germanic Philology Gustaf E.
