Teen Library Events:

Teen Library Events Kirsten Edwards, 2001-10-30 If you are a new young adult librarian or an experienced librarian with little time to plan and execute programs for teens this book is for you For each month in the calendar year two or three programs popular with teens are presented with instructions sample flyers letters and checklists From simple programs such as a candy raffle to more complex programs such as a mystery night librarians can keep their teen calendar full of activities with a minimum of effort Programs that tie into both school events and national events for teens are included as well as those that can be presented at an individual library Suggestions for programs range from a poetry contest to a summer job program Instructions for ongoing procedures for soliciting teens opinions are provided a monthly question board candy raffle starting and running a Teen Advisory Board and so on Basic skills for all YA librarians are emphasized in each of the programs these skills include booktalking working with the schools and marketing your programs within the library and to the community By creating variations in each of the programs young adult librarians will have a wealth of ideas in this book to keep their YA program calendar filled for years to come

101+ Great Ideas for Teen Library Web Sites Miranda Doyle, 2007 Presents ideas on how to create websites for teenagers from the basics such as links and catalogs to technical skills relating to elements like blogs feeds and podcasting

Teens, Libraries, and Social Networking Denise E. Agosto, June Abbas, 2011-05-18 Learn how teens use social networking technologies and how these same technologies can be used to engage them in library services Teens and Social Networking Now What Librarians Need to Know is organized around ten major topics including using social networking sites to connect teens to young adult literature social networking and legislative issues social networking and safety privacy issues and the social and educational benefits of social networking Expert practitioners explain how such issues can and should impact library services to young adults focusing on concrete suggestions and specific steps for best practices and program designs that will help librarians utilize social networking tools to enhance library services to teens both online and in the library As background the book explores the reasons so many teens use these sites It also shares a profile of an award winning public library s use of social networking to engage teen library users and a national survey of the ways YA librarians are using social networking to deliver public library services

Serving Teen Parents Ellin Klor, Sarah Nordhausen, 2011-09-12 A comprehensive guide to working with teen parents and their children that provides practical program ideas for successful school and public library program development implementation and evaluation Teen parents and their children represent an underserved high need population in many communities Libraries have the potential to significantly influence the quality of life for teen parent families by providing free access to information and resources developing specific programs and serving as a safe public learning environment *Serving Teen Parents From Literacy to Life Skills* helps library staff support teen parents as their children s first teachers positively affecting two generations at once The authors explain how to successfully communicate with this group and build upon their

competencies and strengths They offer best practices professional anecdotes and step by step direction on connecting with teen parents collaborating with community partners locating funding options and implementing successful programs This invaluable guide is the most comprehensive resource currently available that directly addresses the needs of librarians serving the teen parent demographic

Crash Course in Teen Services Donna P. Miller,2007-11-30 Learn about the world of today s teens and how to communicate with this very important segment of your library s audience Gather ideas for enlisting help from teachers and school librarians in planning programming to bring teens to the library Examples of real life reference interviews follow a list of tools to have at the teen reference desk The essential elements of building teen collection and reader s advisory services are presented with ideas for creating a teen friendly library Information will be useful to librarians in smaller libraries and persons assigned to teen services as a part of their other duties

Crash Course in Young Adult Services Sarah Flowers,2017-10-10 Learn how to improve teen services in public libraries by better understanding teen development and having positive interactions with teens to provide appropriate and interesting collections and services A library can be a tremendous resource for teens one that helps them to learn about themselves and the world they live in But teenagers are intrinsically different from children and from adults and these critical developmental differences affect the ways they interact with others both in the world at large and in the library Serving teens effectively in the library requires a basic understanding of who teens are and the developmental tasks they face factors that affect all aspects of library service from the specific programs and services we offer to the ways that staff provide assistance to the teen who is seeking help at a library service desk This book enables library workers to better understand adolescent development which allows them to provide a positive library experience for teens Readers will learn how to supply excellent library services with and for teens including in the areas of collection development readers advisory reference and homework help programming and advocacy The book identifies the best ways to have positive interactions with teens in the library based on their mental development and details best practices for teen services The concluding section discusses advocating for teens with emphasis on their right to privacy and equal access to materials and services

Serving Homeschooled Teens and Their Parents Maureen T. Lerch,Janet Welch,2004-05-30 Today more than a million students are being educated at home and that figure increases at a rate of 7 14% annually Homeschooling is a growing trend in our society and public librarians are being called upon with increasing frequency to serve the needs of homeschooled students So just what are the needs of the homeschooled teen and how can you and your library meet those needs A former young adult librarian and a homeschool parent have joined forces to create this insightful guide and answer that question After reviewing the developmental and social needs of teens the authors demonstrate how those needs may be met in the public library setting You ll find a wealth of ideas for adapting every facet of your library service for this growing population from developing a homeschool collection to expanding services and creating special programs You ll also find suggestions on how to market what your library has to offer to homeschoolers You may even
