Preserver William Shatner, Judith Reeves-Stevens, Garfield Reeves-Stevens, 2000 Captain Kirk is helpless to prevent his evil twin from capturing him but the reappearance of the long dormant Preservers will threaten the entire galaxy unless he can stop them *Red Star Over Malaya* Cheah Boon Kheng, 2013-07-15 *Red Star Over Malaya* is an account of the inter-racial relations between Malays and Chinese during the final stages of the Japanese occupation. In 1947, none of the three major races of Malaya—Malays, Chinese, and Indians—regarded themselves as pan-ethnic Malayans with common duties and problems. With the occupation, they were forcibly cut off from China. Chinese residents began to look inward, towards Malaya, and stake political claims leading inevitably to a political contest with the Malays. As the country advanced towards nationhood and self-government, there was tension between traditional loyalties to the Malay rulers and the states or to ancestral homelands elsewhere and the need to cultivate an enduring loyalty to Malaya on the part of those who would make their home there in the future. As Japanese forces withdrew from the countryside, the Chinese guerrillas of the communist-led resistance movement, the Malayan People's Anti-Japanese Army (MPAJA), emerged from the jungle and took control of some 70 per cent of the country's smaller towns and villages, seriously alarming the Malay population. When the British Military Administration sought to regain control of these liberated areas, the ensuing conflict set the tone for future political conflicts and marked a crucial stage in the history of Malaya. Based on extensive archival research, *Red Star Over Malaya* provides a riveting account of the way the Japanese occupation reshaped colonial Malaya and of the tension-filled months that followed Japan's surrender. This book is fundamental to an understanding of social and political developments in Malaysia during the second half of the 20th century. **The Return** William Shatner, Judith Reeves-Stevens, Garfield Reeves-Stevens, 1997 A novel to create a coda to *Star Trek: Generations* and reveal the awesome secret of the return of James T. Kirk. **Red Star Over Malaya** Boon Kheng Cheah, 2003 Based on extensive archival research in Malaysia, Great Britain, Japan, and the United States, *Red Star Over Malaya* provides an account of the way the Japanese occupation reshaped colonial Malaya and of the tension-filled months that followed surrender. This book, now in its third edition, is fundamental to an understanding of social and political developments in Malaysia during the second half of the 20th century.
