Telephone Fund Raising Jonathan A. Segal, Janet B. Allen, 2012-12-06 There was a time when bake sales raffles and the like provided non profit making organizations with the funds they needed to flourish Those days have long passed Non profit making organizations now find themselves competing with one another for public and private support just to survive The organizations that will survive are the ones that are not afraid of sophisticated fund raising methods Telephone fund raising is such a method There is virtually no limit to the amount of money telephone fund raising can bring your organization Telephone fund raising is so successful because it is personal It allows for dialogue More specifically it allows the caller to answer questions deal with complaints negotiate hard and stress those aspects of the program that interest the potential contributor most No method of fund raising other than a personal visit can do this And of course visiting all your potential contributors personally would be impossible This book provides you with all the information you need to develop and maintain a lucrative telephone fund raising program on your own The general principles of telephone fund raising apply universally Therefore the principles will work for you whatever your cause They also will apply whatever your need Whether you need a long term telephone fund raising program bringing in money at a steadily increasing rate over the years or a short term program lasting one month one week or even one day this book is for you

Telepledge Louis Arthur Schultz, 1986 **Effective Frontline Fundraising** Jeff Stauch, 2012-01-31 Today nearly every charitable nonprofit advocacy group professional group and politician relies on the philanthropy of others Whether it's a private college a hospital or museum a lobbying group or a local low budget food shelf operational and marketing costs and capital investments are often largely underwritten through the generous support of donors Nonprofits need some people to

write 25 checks on a regular basis and they need others to make six figure pledges The bad news Since the economic collapse of 2008 getting people to part with precious dollars has become ever more difficult The good news is that people are still inclined to be generous to organizations causes and candidates they believe in Effective Frontline Fundraising provides the information you ll need to set up and manage an effective development team capable of consistently raising gifts both large and small Effective Frontline Fundraising will not only teach those skills for getting the gift you want in the short run but it will also show how to build a meaningful long lasting relationship between your organization and your donor base This book Shows how to keep that organizational lifeblood cash running through your vital operations Explains how to create a firm foundation from which to solicit funds Provides examples of successful and unsuccessful fundraising messages and plans Teaches you how to ask confidently for gifts from 25 to 1 000 000 or more **Fundraising Fundamentals** James M.
