

## ONE FOR THE POT

It seems to Laurie Bonnet, a mail-order bride, that she can't even do the simplest thing right. When her new life gets too tough, Laurie decides to leave. But on the trail she meets up with a mysterious old man who teaches her a few things about love and courage. And she'll need plenty of both when she returns to stand by her husband. Because now the Miller clan has hired themselves a gunman to run Steve Bonnet off his land—or put him under the ground.

## THAT TRIGGERNOMETRY TENDERFOOT

From the moment he stepped off the stage, anyone could see: he was a rank greenhorn. And he had come all the way to Harrison, Montana, with a purpose.

That purpose would take him to the burned out homestead of Mike Shanahan, a rancher who had died in a mysterious accident. It would also bring him to work with a lovely teacher at the local schoolhouse. Camping on Shanahan's land was a temporary situation, but once there, he would learn a lasting lesson about himself, about revenge—and love.

many variations that when one has read them a new image of Billy has taken shape different from any single presentation in the book There is simply nothing one can do to stop a legend because even analyzing it breathes into it a new life In this work the author has kept his annotations remarkably well in hand Types and prototypes march through them with surprising clarity The collations so faithfully set down by Mr Dykes are nevertheless in some respects a little wayward Partly this is because of the nature of the material and partly it is because Mr Dykes has produced the work which probably could have been written by no one else as a collector rather than as a professional bibliographer It would have been ungracious to eliminate material that will be appreciated by his fellow enthusiasts page 3
