

CONNECTION

You may think about the internet, the one that we call Wi-Fi? But it's right but I want to tell you something, do you still remember the last time you ate at the dinner table with your family without a phone? When was the last time you hung out with your friends? Do you still face to face communicating with your parents? Right, all this thing seems like a rare thing to see and feel nowadays.

My routine when I was a child is that my grandma, wake me up and ask me to pray with her after that we will go to the living room and eat pandesal and milo with my mama,papa,nanay,cousins, aunties, uncle and we would also watch will eating breakfast, then I will brush my teeth and wash my face then I will go to my neighbor friends maymay, avory, kuya lester and many more kids we love to play langit and lupa, tag, tagu taguan and many more games and when its 12pm my ate jecel will start to shout and say ASHLEY KAKAIN NA and by that I will rush home then wash hands quickly and me and my family will gather at the living room we are eating while watching eat bulaga and when its 1pm its time for a nap and thats where my papa predo forcing me to sleep which sometimes I'm just waiting for him to sleep rather then it's me who supposed to sleep when its 3pm i will ask 5 pesos to my nanay just so i could buy my favorite junk food and candy after that i will rush to the sea because that were the spot of my friends and we would play till it starting to be night and when its 6pm my ate jecel will count to 10 me and jan will rush home because if my ate jecel finish counting and we are not in the front door we will be punish such as palo sa pwet or pingot and after that we will eat and me and my family will watch 24oras that a tv news and when its 7 something that's the start of drama and me and my nanay are wtaching will joking with each other and when its advertisements that's the guessing time of the family and thats my childhood back then, it was so fun and pure joy but that starting to fade when my cousins starting to become a teenager and my aunties starting to have a job everything starting to change the connecting and relationship i had with them starting to disconnect and now that I'm a teenager i often at home using my phone all day and me and my family just passing by with each other.

I know it not just me who are having this situation but I believe the more you get older the more the things you love as a kid you started hating it, you are maybe a bad temper and introvert now and seldom bonds personally with your loved ones, but showing appreciation affection and love to our love ones isn't strange to do, I hope that you be able to communicate and connect and build your relationship with your family and the solution to that is to give time because our time is precious that is why if you want to do something now do it now do not said maybe next time because what if this is the only time you got? That is why "do it now as if there is no tomorrow".
