

The 1940s

Tony Shaw, Denise Jeanne Youngblood

The 1940s:

America in the 1940s Edmund Lindop, 2009-09-01 Outlines the important social political economic cultural and technological events that happened in the United States from 1940 to 1949 **Historical Dictionary of the 1940s** James Gilbert Ryan, Leonard C. Schlup, 2006 Contains entries for individuals institutions and events focusing mostly on the U S Entries cover topics in science history literature theater and entertainment and many other areas **Historical Dictionary of the 1940s** James Gilbert Ryan, Leonard C Schlup, 2015-03-26 The only available historical dictionary devoted exclusively to the 1940s this book offers readers a ready reference portrait of one of the twentieth century s most tumultuous decades In nearly 600 concise entries the volume quickly defines a historical figure institution or event and then points readers to three sources that treat the subject in depth In selecting topics for inclusion the editors and authors offer a representative slice of life as contemporaneous Americans saw it with coverage of people movements court cases and economic social cultural political military and technological changes The book focuses chiefly on the United States but places American lives and events firmly within a global context **Mexico in the 1940s** Stephen R. Niblo, 1999 This title examines Mexican politics in the wake of Cardenismo and the dawn of Miguel Aleman s presidency This new book focuses on the decade of the 1940s and analyzes Alcmansismo into the early years of the 1950s Based upon a decade of intensive investigation it is the first broad and substantial study of the political life of the Mexican nation during this period thus opening a new era to historical investigation Analytical yet lively mixing political and cultural history Mexico in the 1940s captures the humor passion and significance of Mexico during the World War II and post war years when Mexicans entered the era called the miracle because of the nation s economic growth and political stability Niblo develops the case that the Mexico of today politically and executively centralized stressing business and industry corrupt ignoring the needs of the majority of the population has its roots in the decade and a half after 1940 Finally Mexico in the 1940s offers a unique interpretation of Mexican domestic politics in this period including an explanation of how political leaders were able to reverse the course of the Mexican Revolution in the 1940s an original interpretation of corruption in Mexican political life a phenomenon that did not end in the 1940s and an analysis of the relationship between the U S media interests the Mexican state and the Mexican media companies that still dominate mass communication today **The 1940s** Louise I. Gerdes, 2000 The 1940s are remembered as a time of war and the beginning of the atomic age Essays examine the events leading to World War II the war itself the home front and the motion picture industry **America in the 1940s** Charles Wills, 2005-08 Learn about this crucial time in the history of the US and the world **The Diffusion of Influenza** Gerald F. Pyle, 1986 This pioneering study of the geography of influenza during the twentieth century explores how geographical factors contribute to the periodic diffusion of influenza epidemics in the United States adding a spatial dimension to national efforts to control the disease Pyle brings together findings from history virology epidemiology and demographics to develop a geographic model of influenza

transmission The Home Front and Beyond Susan M. Hartmann,1982 In Home Front and Beyond Susan Hartmann has combined research into popular media government reports and private paper to reconstruct the changing pattern of women s lives in this decade **American Culture in the 1940s** Jacqueline Foertsch,2008-03-27 This book explores the major cultural forms of 1940s America fiction and non fiction music and radio film and theatre serious and popular visual arts and key texts trends and figures from Native Son to Citizen Kane from Hiroshima to HUAC and from Dr Seuss to Bob Hope After discussing the dominant ideas that inform the 1940s the book culminates with a chapter on the culture of war Rather than splitting the decade at 1945 Jacqueline Foertsch argues persuasively that the 1940s should be taken as a whole seeking out links between wartime and postwar American culture **The 1940s from World War II to Jackie Robinson** Stephen Feinstein,2000 Discusses the fashions fads politics advances in medicine and technology people and world issues that made the 1940s a unique time in American and world history The 1940s Decade in Photos Jim Corrigan,2010-01-01 Describes the important world national and cultural developments of the decade 1940 1949 **The 1940s** Robert Sickels,2004-04-30 This volume captures the many aspects of popular culture during 1940s America *Judging Jehovah's Witnesses* Shawn Francis Peters,2000 While millions of Americans fought the Nazis liberty was under attack at home with the persecution of Jehovah s Witnesses who were intimidated and even imprisoned for refusing to salute the flag or serve in the armed forces This study explores their defence of their First Amendment rights *It's Our Day* Katherine Jellison,2008 Offers a detailed cultural history of weddings in America from 1945 to 2000 exploring the political social economic and demographic events that influenced the traditions and cost associated with weddings in the post war years Enduring Liberalism Robert Booth Fowler,1999 Enduring Liberalism pursues two objectives One it explores the political thought of public intellectuals and the general public since the 1960s Two it assesses contemporary and classic interpretations of American political thought in light of the study s findings BOOK JACKET Cinematic Cold War Tony Shaw,Denise Jeanne Youngblood,2010 The first book length survey of cinema s vital role in the Cold War cultural combat between the U S and the USSR Focuses on 10 films five American and five Soviet both iconic and lesser known works showing that cinema provided a crucial outlet for the global debate between democratic and communist ideologies *The Age of Impeachment* David E. Kyvig,2008 A Bancroft Prize winning historian chronicles the modern history of impeachment and the shift in American politics and constitutional culture revealed by its evolving interpretation and use **Records & Briefs New York State Appellate Division , Regime Politics** Clarence Nathan Stone,1989 From the end of Georgia s white primary in 1946 to the present Atlanta has been a community of growing black electoral strength and stable white economic power Yet the ballot box and investment money never became opposing weapons in a battle for domination Instead Atlanta experienced the emergence and evolution of a biracial coalition Although beset by changing conditions and significant cost pressures this coalition has remained intact At critical junctures forces of cooperation overcame antagonisms of race and ideology While retaining a critical distance from

rational choice theory author Clarence Stone finds the problem of collective action to be centrally important. The urban condition in America is one of weak and diffuse authority and this situation favors any group that can act cohesively and control a substantial body of resources. Those endowed with a capacity to promote cooperation can attract allies and overcome oppositional forces. On the negative side of the political ledger Atlanta's style of civic cooperation is achieved at a cost. Despite an ambitious program of physical redevelopment the city is second only to Newark, New Jersey in the poverty rate. Social problems, conflict of interest issues, and inattention to the production potential of a large lower class bespeak a regime unable to address a wide range of human needs. No simple matter of elite domination it is a matter of governing arrangements built out of selective incentives and inside deal making such arrangements can serve only limited purposes. The capacity of urban regimes to bring about elaborate forms of physical redevelopment should not blind us to their incapacity to address deeply rooted social problems. Stone takes the historical approach seriously. The flow of events enables us to see how some groups deploy their resource advantages to fashion governing arrangements to their liking. But no one enjoys a completely free hand some arrangements are more workable than others. Stone's theory minded analysis of key events enables us to ask why and what else might be done.

Regime Politics offers readers a political history of postwar Atlanta and an elegant innovative and incisive conceptual framework destined to influence the way urban politics is studied. **"I'll Never Fight Fire with My Bare Hands Again"** Hal Rothman, 1994. This collection provides a context for the best and most informative letters written by early foresters. The writers illuminate how they were forced to balance the agency's regulatory impulses with the needs of rural communities that depended upon forests for their livelihood.

The 1940s Introduction

In today's digital age, the availability of The 1940s books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The 1940s books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The 1940s books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The 1940s versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The 1940s books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The 1940s books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The 1940s books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational

institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The 1940s books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The 1940s books and manuals for download and embark on your journey of knowledge?
