## **The Evangelizers:**

**The Evangelizers** Kenneth J. Roberts, 1984-04      *Creating the Evangelizing Parish* Frank P. DeSiano, Kenneth Boyack, 1993

Creating the Evangelizing Parish challenges those who realize the importance of evangelization and are eager to make an impact on Catholic Church life today. Co-authors Frank DeSiano and Kenneth Boyack clearly explain the definition of evangelization and offer for further clarification an encounter model of evangelization which specifically places the ministry into the framework of personal relationships. The authors then describe actual parish dynamics and organization in terms of their universal evangelizing purposes as understood by the church. Creating the Evangelizing Parish is key reading for church leaders who want to take charge of their parishes, direct, establish evangelization teams and implement effective parish strategies for renewal. Every pastor, pastoral staff member, parish counselor and other workers in evangelization will gladly welcome this book as a pastoral and practical resource for their ministry. Creating the Evangelizing Parish will richly reward those who look for new directions in their ministry and the church. BOOK JACKET Title Summary field provided by Blackwell North America Inc. **The True Church and the Poor** Jon Sobrino, 2004-10-29

Of Jon Sobrino's first book, *Christology at the Crossroads*, the *Church Times* wrote: "It is radical without being reductionist. It is relentless in its refusal to let us avoid the challenge of Jesus by sliding into theological or cultic abstractions. It will stimulate, illuminate and infuriate those whose minds are jaded by the current state of British theology. And like all great theology, it will bring you uncomfortably close to the living Jesus." This second book, also written out of the hell of El Salvador, is if anything even more powerful and uncomfortable. Dedicated to all men and women of El Salvador who have given their lives for the kingdom of God, it took shape while Bishop Romero, his priests, Christian peasant leaders and catechists lived and died. Doing theology in this situation requires that theology not only follow a specific method but that it also has a specific character. Theology in this situation becomes responsible. Theologians do not arbitrarily decide to study this or that theme; the theme is forced upon them by reality. Theology becomes practical because its motivating concern is not pure thought nor even pure truth but rather the building of the kingdom of God and of a church that will be at the service of this kingdom. Theology becomes evangelical in the true sense of that word: it is done with pleasure in the Good News and with joy that there is salvation for the poor. Finally, theology becomes a response of gratitude because its starting point is the primordial Christian experience that something has been given to us. What has been given to us is the mystery of God present in Jesus and in a church that is poor and is of the poor.

*Evangelization of Hispanic Young People* Carmen María Cervantes, 1995

*Evangelization of Hispanic Young People* focuses on the evangelization of Hispanic young adults, the evangelization process, a model of evangelization in small communities and the role of Mary in these evangelizing efforts. Resources for further reading, a glossary and a subject index are included. Numbered paragraphs throughout make it easy to cross-reference between the English and Spanish versions.

**A New Dawn, or the Fading of the Light? Culture and Evangelization Today** John C. Gallagher C.S.B.,2019-12-05 Parents are disheartened when their children fall away from religious practice Pastoral workers wonder how they can get people to take religion seriously Something is at work that is puzzling but we can learn something useful about it A crucial factor is the role of culture To have faith is an act of individual responsibility but it can also be influenced by life around us For example popular opinion or concentration on making a fortune can make us deaf to any message about what lies beyond our immediate concerns This book is the fruit of the author s extensive study of how cultural forces influence attitudes Calling on long experience lecturing and in pastoral ministry he shows how cultural factors influence religious belief in our times and how ordinary believers can be active participants in creating a culture that opens us to God s word *Evangelizing America* Thomas P. Rausch, SJ, An exploration of the Catholic Church s evangelical mission in the context of North America

**Multicultural Theology and New Evangelization** Van Nam Kim,2014-04-01 Multicultural Theology and New Evangelization sheds light on the central role of multiculturalism in the Catholic Church of the third millennium In this book Van Nam Kim addresses the challenges of new evangelization in the multicultural communities of the Church Kim answers questions regarding how Catholics can fulfill their evangelical mission and looks at the special roles of religious sisters and lay Catholics particularly women in the Church He also examines new procedures for forming future priests and the obligations of priests serving outside their homelands Multicultural Theology and New Evangelization will inspire the Church hierarchy seminary formators priests and the laity to rethink current approaches to Christian life and evangelization

*Catharsis* Luis Reinaldo Perez Rosario,2016-12-06 Grief can do terrible things to us It can hold us still in time and skew our perspective That is the case with William Maldonado who grieves the loss of his father as a child to war the loss of his mother as a young adult to an illness the loss of an opportunity to pursue a doctoral degree and the loss of his professional reputation to an accusation of committing insurance fraud Subterranean sorrow leads Maldonado to make wrong minded decisions that eventually lead him to prison and then to a half way house One day as he tries to understand his grief he blames the world and in particular a former business partner Full of rage he returns to the city where he experienced his deepest wounds Upon his return he discovers that his former business partner now a Pentecostal minister emerged unscathed from the insurance fraud scandal that sent him fleeing for a decade That discovery thrusts Maldonado on a path of revenge and into the roiling world of church politics where he joins a secession group that wants to fire his former partner It takes the whims of fate and new friendships for Maldonado to experience clarity of purpose
