The Executive in African Governments Bereket H. Selassie,1974 *The Executive in African Governments (a Comparative Study)* Bereket Habte Selassie,1967 **The Executive in African Governments (a Comparative Study)** Bereket Habte Selassie,1967 My interest to undertake the study leading to this thesis was first aroused in May 1963 during the first meeting of the African Heads of States which established the OAU Further inquiries revealed a political phenomenon that has been called African presidentialism The advent of one party government which was the basis of African presidentialism has been complicated by the intervention of the military in politics or by threats of such intervention A comparative study of African constitutions focused on the Executive was therefore I felt worth undertaking The scope and purpose of the thesis is to examine the structure and organisation of the Executive in a comparative setting The thesis is divided into four parts The introductory part Part One aims to provide a historical and socio political background to the study Part Two deals with the various Executive forms in Africa Chapter three deals with the monarchies Chapter four with dual executive systems and Chapter five with executive presidencies The commonest system is that of the executive presidency accordingly Chapter five is considered to be the central part of the thesis Executive presidency for African presidentialism rests on the twin pillars of the one party and on the civil service Hence part three deals with an account of these two institutions in Africa The last part deals with the advent of the military in Africa Some of the major causes of coups d etat are examined together with some case studies chapter eight This is followed by brief accounts of selected military regimes considered as Executives *The Executive in African Governments* Bereketab Habteselassie,1967 **West African Government for Nigerian Students** E.A. Keay,H. Thomas,2026-04-01 West African Government for Nigerian Students 1965 was originally prepared as a guide to a Government exam in Nigeria but now serves as a useful source of information to pre colonial institutions and existing institutions in Ghana Nigeria Sierra Leone and the Gambia **Protecting Minority Rights in African Countries** John M. Mbaku,2018-01-26 In this enlightening book John Mukum Mbaku analyses the main challenges of constitutional design and the construction of governance institutions in Africa today He argues that the central issues are providing each country with a constitutional order that is capable of successfully managing sectarian conflict and enhancing peaceful coexistence protecting the rights of citizens including those of minorities minimizing the monopolization of political space by the majority to the detriment of minorities and effectively preventing government impunity Mbaku offers a comprehensive analysis of various approaches to the management of diversity and shows how these approaches can inform Africa s struggle to promote peace and good governance He explores in depth the existence of dysfunctional and anachronistic laws and institutions inherited from the colonial state and the process through which laws and institutions are formulated or constructed adopted and amended A close look at the constitutional experiences of the American Republic provides important lessons for constitutional design and constitutionalism in Africa Additionally comparative politics and

comparative constitutional law also provide important lessons for the management of diversity in African countries Mbaku recommends state reconstruction through constitutional design as a way for each African country to provide itself with laws and institutions that reflect the realities of each country including the necessary mechanisms and tools for the protection of the rights of minorities From students and scholars to NGOs lawyers and policymakers this unique and judicious book is an essential tool for all those seeking to understand and improve governance and development in Africa
