Smith,2016-12-01 Barry D Smith studies the salvation historical meaning of Jesus death commonly known as the atonement in the New Testament Smith works his way through the four theories of the doctrine of the atonement that have emerged in the history of Christian theology moral influence governmental satisfaction and Christus victor theories Smith works from the premise that for a theory of the atonement to be successful no biblical data may be omitted or distorted and the generalized concepts used to comprehend the biblical data must be easily seen as implicit in the data From this vantage point Smith advances a formulation of the atonement that is best supported by the biblical text itself The conclusion Smith reaches is that the biblical data supports both the penal substitutionary version of the satisfaction theory and the Christus victor theory of the atonement each of which should be viewed as two parts of a more inclusive theory of atonement present in the New Testament Diatessarica (a series dealing with the interpretation of the Gospels). 10 pt. [with] Indices Edwin Abbott Abbott,1912 **Understanding Death as Life's Paradox** Brayton Polka,2019-04-30 This book focuses on death as life s paradox in order to test to put on trial what it means for us human beings to exist No one of us chooses to be born Yet having been born we must choose to have been born to live to exist To exist is to choose to exist To choose to exist is to live with our choices This text argues that death is the limit of life that we can live freely and lovingly at once justly and compassionately solely within the limit of death It shows that we can develop a comprehensive conception of life and also of death solely insofar as we learn to overcome the dualistic opposition

between philosophy and theology that continues today to falsify our understanding of not only the secular but also the sacred

The Phenomenology of Death, Death is Not the End of Life Rev. Dr. Kirk Morton, 2022-01-14 Dr Morton brings more than forty two years of ministry to this work and he speaks clearly but yet succinctly about the opaque mysteries surrounding the realities of one s fears and interpretations about death His biblical interpretations of death is substantiated by the authenticity of the scriptures which affords the reader illumination by the power of the Holy Spirit to bring clarity and understanding to the readers thoughts and mind about the works of Jesus Christ and how his works satisfies God s judgments on sin and its consequences for all eternity The Phenomenology of Death is a must read and it will enhance your understanding that physical death is not the end of life And though spiritual death is to be eternally separated from God there is no death in the spirit But sin and unbelief do separate one from God and when we are separated from God this is death though there is no death in the spirit Being separated from God is death but the end of life in the physical realm is not the end of life The Phenomenology of Death helps one to understand why death is not the end of life
