The Italian Immigrant Experience:

Italian Americans Ben Morreale, Robert Carola, 2008 This lavish history of Italian Americans in America provides a powerful focus on the immigrant experience with is packed with black and white photos capturing all facets of Italian American heritage and life Over 200 photos in black and white and color pack a social history of Italian immigrants and how they have influenced American history and culture The Italian Immigrant Experience Vincent Bocchimuzzo, Elena Daniele, Anthony Julian Tamburri, 2024-11 On September 23 and 24 2022 Tulane University and the John D Calandra Italian American Institute collaborated in presenting a symposium titled The Italian Immigrant Experience Between Black and White The symposium was held in New Orleans on the Tulane campus The symposium featured scholars who study the Italian American and the Black experiences in New Orleans as well as throughout the United States This book is a compilation of the papers presented at the symposium At the forefront of organizing this event was a desire to provide students and the public with historical knowledge regarding the Italian immigrant experience during the late nineteenth century The speakers who presented their papers are among the many scholars who have dedicated their lives to researching these topics and they adhere as well to criteria of historical accuracy As the author and critic Robert Viscusi implored us we must actively engage and preserve our own culture and history or we risk allowing others to shape the narrative in ways that may not reflect our true identity It is crucial to take ownership of our heritage to ensure it is represented accurately and authentically He articulated such notions in his three rules of IAWA Italian American Writers Association Read one another Write or be written Buy our books The Italian Immigrant Experience Canadian Italian Historical Association, 1988 **Italian American Experience in New Haven, The** Anthony V. Riccio, 2009-01-08 Using interviews and photographs Anthony Riccio provides a vital supplement to our understanding of the Italian immigrant experience in the United States In conversations around kitchen tables and in social clubs members of New Haven s Italian American community evoke the rhythms of the streets and the pulse of life in the old ethnic neighborhoods They describe the events that shaped the twentieth century the Spanish Flu pandemic the Great Depression and World War II along with the private histories of immigrant women who toiled under terrible working conditions in New Haven s shirt factories who sacrificed dreams of education and careers for the economic well being of their families This is a compelling social cultural and political history of a vibrant immigrant community

Struggle and Success Paola A. Sensi Isolani, Phylis Cancilla Martinelli, 1993 Italian Immigration in the American West Kenneth Scambray, 2021-12-14 In this carefully researched and engaging book Kenneth Scambray surveys the lives and contributions of Italian immigrants in thirteen western states He covers a variety of topics including the role of the Roman Catholic Church in attracting and facilitating Italian settlement the economic political and cultural contributions made by Italians and the efforts to preserve Italian culture and to restore connections to their ancestral identity The lives of immigrants in the West differed greatly from those of their counterparts on the East Coast in many ways The development of

the West with its cheap land and mining forestry and agriculture industries created a demand for labor that enabled newcomers to achieve stability and success Moreover female immigrants had many more opportunities to contribute materially to their family s well being either by overseeing new revenue streams for their farms and small businesses or as paid workers outside the home Despite this success Italian immigrants in the West could not escape the era s xenophobia Scambray also discusses the ways that Italians perceived by many as non White interacted with other Euro Americans other immigrant groups and Native Americans and African Americans By placing the Italian immigrant experience within the context of other immigrant narratives Italian Immigration in the American West provides rich insights into the lives and contributions of individuals and families who sought to build new lives in the West This unique study reveals the impact of Italian immigration and the immense diversity of the immigrant experience outside the East s urban centers

Remembering Italian America Laurie Buonanno, Michael Buonanno, 2021-03-11 Remembering Italian America Memory Migration Identity examines the life of Italians in the United States and the role of migration and collective memory in the history of the construction of Italian American identity Employing the concept of communicative memory the authors explain the processes that gave shape to Italian identity in America and the ways in which a symbolic identity became concretized in Italian American oral histories The text explores the Italy migrants left behind transatlantic networks the welcome received by the Italian newcomers the socioeconomic fabric of Italian America and the singular worldview that grew out of the immigrant experience In exploring the role of memory in the construction of Italian American identity the book analyzes the commonalities in the lives of immigrants allowing the Italian American experience to speak to the circumstances of newer immigrant communities and allowing these new immigrant communities to speak to the Italian migrant history Looking at Italian American culture from a multidisciplinary perspective this volume brings various theoretical perspectives to bear on what why and how questions concerning the Italian American experience This book will be of interest to students of ethnic studies immigration studies and American transnational studies as well as American history Winner of the 2022 Italian American Studies Association Book Award *From Italy to Indiana County: The Italian Immigrant Experience in Indiana, Pennsylvania and Environs, 1900-1950 Photographs* Italian American Collection, 1890 The From Italy to Indiana County The Italian Immigrant Experience in Indiana Pennsylvania and Environs 1900 1950 photographs consists of black and white photograph prints reproductions and corresponding negatives documenting the Italian American presence in Indiana County between c1890 and 1955 These photographs were collected during the course of oral history fieldwork by Nicholas P Ciotola as part of his research for From Italy to Indiana County The Italian Immigrant Experience in Indiana Pennsylvania and Environs 1900 1950 an exhibit sponsored by the Indiana University of Pennsylvania Museum in partnership with the Historical Society of Western Pennsylvania The images in this collection depict themes such as immigration coal mining mining accidents the Coal and Iron Police company towns the railroad industry family life beneficial societies community

Italian Americans in Film and Other Media Daniele Fioretti, Fulvio Orsitto, 2024-03-04 Italian Americans in Film and Other Media examines the representation of the Italian immigrant experience from D W Griffith s Biograph Italian Dramas 1908 1913 to the present day Building on the editors previous volume Italian Americans in Film this collection broadens their scope to address marginalized aspects of Italian Americanness including the work of women directors and depictions of same sex relationships The book consists of three parts Part I The Immigrant Experience focuses on feature films and is divided into two sections Silent Films which analyses some of Griffith s early films and Barker s The Italian 1915 and Revising Gender Perspectives which includes chapters focusing on single films such as Dmytryk s Christ in Concrete 1949 De Michiel s Tarantella 1995 and Bonifacio s Amexicano 2007 and survey essays that discuss the Italian American celluloid closet and some of Savoca s films Part II Italian Americans in Other Media offers a wide range of essays informed by different approaches that investigate the immigrant experience in terms of transmediality and transnationality The types of media examined in this section include television and graphic novels as well as puppetry Instagram and Internet memes Part III contains interviews with Italian American scholars movie directors and performers Together the contributions to this collection demonstrate the vitality mutation and persistence of Italian Americanness in visual media

Hopelessly Alien Louis Corsino, 2024-05-01 *Hopelessly Alien* is an in depth study of Italian immigration to Chicago Heights Illinois between 1910 and 1950 Drawing upon oral histories interviews historical documents and census materials Louis Corsino examines the critical concept of hope which most immigration studies have cast in privatized psychological terms as the motivation to emigrate in search of a better life This investigation offers a more contentious sociological perspective depicting hope as both an ideological lure to recruit and manage the foreign element and as a resource immigrants employed to purchase acceptance and avoid a disparaging label as a hopelessly alien stranger These dialectical processes are illustrated through the Italian immigrants pursuit of occupational mobility and homeownership and the appropriation of their children s hopes Each became forms of cultural capital that demonstrated a public commitment to the American ethos of joyful striving Each provided measures of success but these individual pursuits came at the expense of upsetting the necessary tension between individual and communal hopes

Arrangiarsi Roberto Perin, Franc Sturino, 2007 The first comprehensive study of the Italian presence in Canada this collection of essays captures the experience of a group of people who helped build a nation Through historical literary and artistic media this critical analysis explores how Italian immigrants perceived Canada and were seen by its citizens as well as their ambitions setbacks and strategies for adapting to a new land Ten contributors are featured including the late Robert Harney Bruno Ramirez and Laurier Lacroix

The Northern Italian Immigration Experience Eric Anderson, 2019 Italian immigrants did not share the same language customs and culture These differences

were most prevalent between northern and southern provinces Northern Italians were far outnumbered by their southern counterparts This thesis is meant to prove that immigrants from the northern provinces of Italy had experiences unique to them that while they suffered the same indignities as other Italian immigrants in America they were also often strangers in the Italian American communities where they lived

Italy on the Pacific S. Fichera,2011-11-16 This book details the Italian immigrant experience in San Francisco from the Gold Rush to the Mayoralty of George Moscone which is to say the entire life cycle of the Italian community and defines the concept of community in a way never seen before

Of Seeds and Sorrow Cassandre Durso,2012

The Italian American Experience Salvatore John LaGumina,2000 The legendary Greek figure Orpheus was said to have possessed magical powers capable of moving all living and inanimate things through the sound of his lyre and voice Over time the Orphic theme has come to indicate the power of music to unsettle subvert and ultimately bring down oppressive realities in order to liberate the soul and expand human life without limits The liberating effect of music has been a particularly important theme in twentieth century African American literature The nine original essays in *Black Orpheus* examines the Orphic theme in the fiction of such African American writers as Jean Toomer Langston Hughes Claude McKay James Baldwin Nathaniel Mackey Sherley Anne Williams Ann Petry Ntozake Shange Alice Walker Gayl Jones and Toni Morrison The authors discussed in this volume depict music as a mystical shamanistic and spiritual power that can miraculously transform the realities of the soul and of the world Here the musician uses his or her music as a weapon to shield and protect his or her spirituality

Written by scholars of English music women s studies American studies cultural theory and black and Africana studies the essays in this interdisciplinary collection ultimately explore the thematic linguistic structural presence of music in twentieth century African American fiction

The Italian/American Experience Louis J. Gesualdi,2012-04-13 *The Italian American Experience* A Collection of Writings represents a meaningful attempt to inform Italian Americans about their group s varied experiences in America This book unlike many works on the Italian American experience contains writings that explain why popular negative notions of Italian American life are inaccurate *The Italian American Experience* lists a number of organizations and journals specializing in Italian American culture and provides brief descriptions of many leading researchers in the field of Italian American studies This unique text also contains an annotated bibliography of key books that deal with the lives of Italians and Italian Americans This collection of eleven works offers readers an in depth view of Italian American culture and heritage

Italian Americans Eric Martone,2016-12-12 The entire Italian American experience from America s earliest days through the present is now available in a single volume This wide ranging work relates the entire saga of the Italian American experience from immigration through assimilation to achievement The book highlights the enormous contributions that Italian Americans the fourth largest European ethnic group in the United States have made to the professions politics academy arts and popular culture of America Going beyond familiar names and stories it also captures the essence of everyday life for Italian

Americans as they established communities and interacted with other ethnic groups In this single volume readers will be able to explore why Italians came to America where they settled and how their distinctive identity was formed A diverse array of entries that highlight the breadth of this experience as well as the multitude of ways in which Italian Americans have influenced U S history and culture are presented in five thematic sections Featured primary documents range from a 1493 letter from Christopher Columbus announcing his discovery to excerpts from President Barack Obama s 2011 speech to the National Italian American Foundation Readers will come away from this book with a broader understanding of and greater appreciation for Italian Americans contributions to the United States
