The Jesus Life:

The Jesus Life Grant Windle,2004 **The Jesus Story** Ben Campbell Johnson,Brant D. Baker,2000-01-01 Avoiding theological jargon and using language more accessible to the lay person than that in the Bible this book invites readers to discover for themselves what Jesus has done for the world and continues to do in the world The invitation is offered in the form of daily readings from the four Gospel accounts of Jesus life and ministry **The Life of Jesus** David Friedrich Strauss,1913 *40 Questions About the Historical Jesus* C. Marvin Pate,2015-04-27 Answers to critical questions regarding the study of the Jesus of history and the Christ of faith The conclusions of the quest for the historical Jesus which casts the majority of Christ s life as a myth are a stark contrast to the orthodox view of Christ as presented in the Bible Pate demonstrates that a critical analysis of the gospel text along with historical and cultural methods of investigation actually point toward an orthodox view of Christ This work argues that the canonical Gospels are the most trustworthy information we have about the gospel writers as well as the life and ministry of Jesus including his death visit to hades resurrection and ascension Readers will be encouraged by the reliability of the Gospel writers the reality of Jesus humanity and deity and the inferiority of the apocryphal gospels **The "Man Christ Jesus"** Stephen Oliver Stout,2011-06-17 Does the Apostle Paul have any use for the person of Jesus presented in the Gospels Critical scholarship thinks not but this book argues that Paul not only mentions more than seventy specific details of the historical Jesus but he also commends the character of Jesus and echoes His teachings repeatedly in his letters and sermons in full agreement with the Gospel accounts Stout examines Paul s intriguing description of the Man Christ Jesus 1 Tim 2 5 and suggests that this title fulfills the OT expectation of God appearing in human history as a man In his incarnated humanity the Man Christ Jesus accomplished salvation in the historical events of his life and death and in his resurrected humanity he appeared to Paul on the Damascus Road rooting Paul s Christology deeply in human experience Furthermore Stout shows how Paul rests his concept of salvation on a neglected aspect of his doctrine that the entire church is associated with the historical events of the life death and resurrection of Jesus an association which also unites his church with one another in fellowship and service This book then demonstrates that Paul s gospel rests upon Jesus as a man of history who brings salvation into human history in his life death and exaltation as the Man Christ Jesus **The Life of Jesus** Harris Franklin Rall,2025-05-22 The Life of Jesus by Harris Franklin Rall presents a classic and reverent account of the life and teachings of Jesus Christ This biography written in clear and accessible prose explores the key events in Jesus s life from his birth and ministry to his crucifixion and resurrection Rall delves into the historical and religious context of the Gospels offering readers a deeper understanding of Jesus s message and its enduring impact This book seeks to provide insight into the character motivations and profound teachings of Jesus making it a valuable resource for both scholars and general readers interested in exploring the foundations of Christian faith The Life of Jesus remains a compelling and inspirational work inviting readers to reflect on the spiritual significance of Jesus s life and
