The Making Of Taxi Driver:

The Making of Taxi Driver Geoffrey Macnab,2005-01-01 In Travis Bickle Robert De Niro the Vietnam vet turned New York taxi driver Scorsese created a character who summed up perfectly the seething discontents of an American still traumatised by Vietnam and Watergate In the context of director Martin Scorsese s many influences that led to Taxi Driver from Dostoevsky novels to John Ford westerns and film noir thrillers and the film s subsequent impact on the work of countless later directors The Making Of Taxi Driver explores how this modern classic came together And looking at some of the myths surrounding the movie asks why 30 years on it still has such resonance with contemporary audiences **Classic Film Series** Chris Wade,2017-09-14 This book celebrates one of the most acclaimed enduring and powerful films of the past fifty years Martin Scorsese s 1976 masterpiece Taxi Driver an undisputed movie staple which seems to grow in popularity as the decades go by Though a condensed personal small film about one man in a big city it has an epic feel about it It is an odyssey a journey into the mind of Travis Bickle the darkest depths of his soul and whether we like it or not ours too Chris Wade explores the making of Taxi Driver as well as the film s themes the subtext the way it has often crossed over into our real world and its long lasting legacy There is also an interview with the man who played Doughboy in the film Harry Northup an acclaimed actor and poet who takes us inside life on the set of a classic *Martin Scorsese* Ian Nathan,2025-11-04 Discover the genius of Martin Scorsese one of cinema s greatest storytellers For over 50 years Martin Scorsese has been one of cinema s most celebrated directors From a Catholic kid in Manhattan to a legendary filmmaker he s shaped Hollywood with masterpieces such as Taxi Driver Goodfellas and The Irishman But what makes a Scorsese film unique His stories explore power morality and human nature blending raw emotion with intellectual depth Whether reinventing noir musicals or crime dramas his work captures the pulse of America and the Italian American experience This book dives into all 26 of his films breaking down his signature themes iconic collaborations with Robert De Niro and Leonardo DiCaprio and his place in film history A true movie fanatic and preservationist Scorsese continues to push boundaries proving that cinema isn t just entertainment it s an art form **The Films of Martin Scorsese and Robert De Niro** Andrew J Rausch,2023-06-14 In 1973 early in their careers Martin Scorsese and Robert De Niro collaborated for the first time Over the next few decades they worked together on seven more movies many of which brought them both acclaim and awards And while successful director and actor pairings have occurred throughout the history of film few have fashioned so many works of enduring value as these two artists In little more than two decades Scorsese and De Niro produced eight features including the classics Taxi Driver Raging Bull and GoodFellas In The Films of Martin Scorsese and Robert De Niro Andrew J Rausch examines the creative output of this remarkable pair from their initial offering Mean Streets to their most recent film together Casino Rausch looks at their relationship as individual artists who worked together to create cinematic magic as well as the friendship that was forged nearly 40 years ago Drawing upon interviews and other sources Rausch goes

behind the scenes of their eight films providing insight into [Taxi Driver](#) Amy Taubin, 2019-07-25 Paul Schrader was in meltdown in 1972 Drinking heavily living in his car he was hospitalised with a gastric ulcer There he read about Arthur Bremer's attempt to assassinate Alabama Governor George Wallace the story was the germ of his screenplay for *Taxi Driver* 1976 Executives at Columbia hated the script but when Martin Scorsese and Robert De Niro who were flying high after the triumphs of *Mean Streets* 1973 and *The Godfather Part II* 1974 signed up *Taxi Driver* became too good a package to refuse Scorsese transformed the script into what is now considered one of the two or three definitive films of the 1970s De Niro is mesmerising as Travis Bickle pent up bigoted steadily slipping into psychosis the personification of American masculinity post Vietnam Cybill Shepherd and Jodie Foster give fine support and Scorsese brought in Bernard Herrmann the greatest of film composers to write what turned out to be his last score Crucially Scorsese rooted *Taxi Driver* in its New York locations tuning the film's violence into the hard reality of the city Technically thrilling though it is *Taxi Driver* is profoundly disturbing finding as Amy Taubin shows racism misogyny and gun fetishism at the heart of American culture In her foreword to this special edition published to celebrate the 20th anniversary of the BFI Film Classics series Amy Taubin considers *Taxi Driver* anew in the context of contemporary politics of race and masculinity in the US and draws on an exclusive interview with Robert De Niro about his memories of making the film
