The Man Everybody Was Afraid Of Joseph Hansen, 2022-02-08 CELEBRATING 50 YEARS OF DAVE BRANDSTETTER The murder of a conservative police chief in a fishing village north of Los Angeles sends death claims investigator Dave Brandstetter into the no man s land between cops and activists in this brilliantly plotted mystery which perfectly captures California in the mid 1970s A small town Chief of Police with reactionary politics and national ambitions Ben Orton struck fear in the hearts of anyone who fell out of line in his little fiefdom of La Caleta Most recently that has included gay rights activists pushing for the hiring of a police officer from their community When big Ben is found in his backyard bludgeoned to death by a large terracotta pot the police arrest the outspoken gay owner of a local nursery Orton had a life insurance policy that brings death claims investigator Dave Brandstetter north to pry As far as Dave can tell the cops did almost nothing to investigate Orton s death and what evidence they did compile doesn t seem to add up Dave quickly learns that the pool of suspects is much deeper than the police reported Ben Orton may have seen himself as a pillar of the community but what many in La Caleta saw instead was a violent man whose commitment to enforcement didn t always also include room for the law With an ailing father in the hospital and a relationship headed toward the rocks a very distracted Brandstetter finds himself making more wrong moves than right while those on the other side of the thin blue line are making it painfully obvious his presence is not wanted

Everybody's Magazine, 1922 Everybody's, 1923 **Everybody's Magazine**, 1922-07 The Man from Beijing Henning Mankell, 2010-02-16 From the internationally acclaimed author of the Kurt Wallander mysteries comes an extraordinary stand alone novel both a mystery and a sweeping drama that traces the legacy of the nineteenth century slave trade between China and America January 2006 In the small Swedish hamlet of Hesj vallen a horrific scene is discovered nineteen people have been tortured and massacred and the only clue is a red silk ribbon found at the scene Judge Birgitta Roslin has a particular reason to be shocked by the crime her mother's adoptive parents the Andr ns are among the victims Investigating further she learns that an Andr n family living in Nevada has also been murdered Travelling to Hesj vallen she finds a diary kept by a gangmaster on the railway built across America in the 1860s full of vivid descriptions of the brutality with which the Chinese and other slave workers were treated She discovers that the red silk ribbon found at the crime scene came from a local Chinese restaurant and she learns that a Chinese man a stranger to the town was staying at a local boarding house at the time of the atrocity The police insist that only a lunatic could have committed such a horrific crime but Birgitta suspects that there is much more to it and she is determined to uncover the truth Her search takes her from Sweden to Beijing and back but Mankell's narrative also takes us 150 years into the past to China and America when the hatred that fuelled the massacre was born a hatred transformed and complicated over time and that will catch up to Birgitta as she draws ever closer to discovering who is behind the Hesj vallen murders
