The Man I Killed:

The Reception of Blake in the Orient Steve Clark, Masashi Suzuki, 2006-04-01 This volume brings together research from international scholars focusing attention on the longevity and complexity of Blake's reception in Japan and elsewhere in the East. It is designed as not only a celebration of his art and poetry in new and unexpected contexts but also to contest the intensely nationalistic and parochial Englishness of his work and in broader terms the inevitable passivity with which Romanticism and other Western intellectual movements have been received in the Orient

The Man I Almost Met for 18 Minutes in an Edinburgh Coffee Shop Bert Bartz, 2018-06-19 A cruise is an experience most people find exciting and enjoyable once in a lifetime experience. For one woman, however, it is sheer hell. Before the cruise, however, she is an American on her first trip to Edinburgh where she chats with a man in a coffee shop for less than an hour. Although she feels a strong connection afterward, she goes on her way. But once she's back home, she can't stop thinking about him. Was it a missed chance? She has to go back and so her friend Bimsa convinces her that the only way to get there is by cruise ship. Trapped, crowded, and huddled in with bizarre people who drive her crazy and stuck in circumstances only slightly better than a bad case of hemorrhoids, the heroine is happy to drown herself in scotch. In spite of the insanity, however, she is motivated to reach the other side of the pond where she will revisit that one perfect moment in time. Maybe in this novella, after a random encounter with a man while on a trip to Scotland, a young woman is persuaded to take a cruise to go back despite her hatred of cruise ships
