Organizations and Knowledge Management Marco Valeri,2025-10-03 The premise of this book is that in the contemporary fast evolving competitive landscape traditional management models are outdated The author emphasizes instead the importance of continuous knowledge regeneration and human capital in achieving sustainable success Through insightful chapters on post modernism in organizational design complexity and strategic learning this book guides organizations in recognizing the value of human knowledge and the dynamic nature of routines It challenges outdated

management models urging leaders to reinvent their organizations with intelligence and adaptability Essential reading for business leaders managers and academics this book offers a comprehensive framework for fostering innovative knowledge driven organizations Wordsworth's Unremembered Pleasure Alexander Freer,2020-10-29 Wordsworth has traditionally been understood as the poet of memory This book argues that unremembered pleasure an idea Wordsworth formulates in Tintern Abbey but is often overlooked by modern readers is central to understanding his writing Wordsworth s poems discover and articulate a broad range of previously unmet unnoticed and unconscious satisfactions As well as providing new interpretations of major and under studied writing by Wordsworth this volume challenges a long tradition of psychoanalytic reading of romanticism which uses trauma to explain the limits of literary memory The book contests key psychoanalytic concepts in literary criticism including repression sublimation mourning and pleasure It asks what it would mean for us to be surprised by joy
