

A close-up photograph of a lit candle. The candle is in a red, textured holder. The flame is bright yellow and orange, with a small blue flame at the base of the wick. The background is dark, making the candle stand out.

**And there shall be no
night there; and they
need no candle, neither
light of the sun; for the
Lord God gives them
light...**

There Is No Sea Ray Deaton,2023-09-11 About the Book The present Heaven of which we all speak is and will be different from the New Heaven created after the tribulation and the millennium The New Heaven will be created at the same time as the New Earth and will be for an eternity Hell by contrast was created at the beginning of time as a place of torment and anguish for the habitation of fallen angels and those who reject the Love of God It is also called The Lake of Fire In There Is No Sea each will be described in as much detail as possible according to the Bible The question will be who will inhabit each and how will each be accessed About the Author Ray Deaton was born in 1939 and raised during the War years He left his parents home at the age of eighteen returning only for brief visits as he traveled to various countries and across this great nation Deaton was born again at the age of thirty nine when he became the child of The Living GOD With a minimum knowledge of his new life Deaton studied the Bible and became convinced of its unerring content Deaton is first last and always a Christian He maintains a membership in a church so he may assemble with believers and hear a word from God

The Bible hymnal, compiled by W.L. Holland Bible hymnal,Walter Lancelot Holland,1894 The Authorised Version of the English Bible, 1611 William Aldis Wright,1909 Revelation by the Book Steve Davis,2022-11-23 The vast majority of Christians are confused and uncertain about the book of Revelation and it is no wonder Ten different Bible commentators can present twelve different points of view on Revelation Bible teachers just adopt the viewpoint of their favorite Bible commentator Pastors tend to preach to the view point they were taught in seminary by a respected professor Ninety nine

percent of pastors and Bible teachers are not dogmatic about their view of Revelation and will profess that each of the various interpretations has merit but this is an unacceptable position Logically there can be only one correct interpretation of the book of Revelation The desire to find the one true interpretation of Revelation has been with me since I first began reading the Bible over twelve years ago After years of prayer study research and contemplation the fog of confusion began to clear The key is quite simple and yet difficult in that it is most elusive The key to unlocking Revelation is a complete trust in God
