These Are The People Thoughts In Poetry And Prose:

These Are the People Bill Fenton,1991-10-01 Bits of Table Talk on Pushkin, Mickiewicz Goethe, Turgenev and Sienkiewicz Waclaw Lednicki,2013-03-13 Table Talk was the title Pushkin gave following the example of William Hazlitt or Samuel Taylor Coleridge to the collection of historical anecdotes jotted down in the years 1830 1836 Pushkin had in his library the Table Talk of both Hazlitt and Coleridge The question which book prompted his own title has been much discussed There can be no doubt that Coleridge occupies a very important position in the list of literary sources which Puskhin utilized It is curious that in the fall of 1830 at Boldino hence at the period of his greatest literary activity when he composed a number of his most splendid masterpieces Puskhin had Coleridge s works with him not only had his works but read them anew Among the Boldino master pieces was also as we know the famous little tragedy Mozart and Salieri of which the ultimate psychological moral peripeteia revolves about Mozart s remark that genius and crime are two incompatible things geny i zlodeystvo dve veschi nesovmestnye When I looked through Coleridge s Table Talk I was struck with the following observation under the date of the 29th of August 1827 genius may co exist with wildness idleness folly even with crime but not long believe me with selfishness and the indulgence of an envious disposition Envy is kdkistos kai dikai6tatos the6s as I once saw expressed some where in a page of Stobaeus it dwarfs and withers its worshippers A Dream Once Dreamed Petrie,2020-03-23 It is 1987 and the longing Sally Salzmann feels for the love of her life Frankie Petrovic is as sharp now as it was in 1967 In the twenty years since Frankie died Sally has solely raised their son Franklin while never forgetting the man who still holds her heart But when she receives a mysterious package from Frankie s sister one day everything changes Inside the package is a note from his sister along with never before seen letters and poems from Frankie As the contents carry Sally back in time she embarks on an odyssey from Detroit to San Francisco and Las Vegas as she tries to piece together what happened to Frankie and why everything went wrong so quickly Accompanied by a friend and Franklin Sally retraces Frankie s last few months of life But will she find a way to fulfill his last dream In this poignant novel a single mother takes a trip back in time to recreate her soul mate s final days and find a way forward after twenty years of mourning *The Athenaeum* ,1889 *Journey of The Roma Through Time and Space* Shashi Bala, Punita Singh,2025-09-26 The book *Journey of the Roma through Time and Space* marks one thousand years of exodus of Roma the forgotten children of India and focuses on the historical linguistic and cultural connection of Roma with their homeland India The Roma or Romani people representing the largest ethnic minority of Europe are traditionally nomadic itinerants who were widely known by the appellation Gypsies until the First World Romani Congress held at the suburb of south east London in April 1971 when the name Roma was officially adopted as the sole preferred ethnonym for the Roma Gypsy groups The immensely significant outcome of the First Congress was the unanimous consent to adopt the Roma flag embossed with the red chakra containing 16 spokes known as the Dharma Chakra in recognition of its Indian origin that was reaffirmed as the official

emblem of the Roma people Despite the long passage of time and their perennial journey to different parts of the world Roma have managed to maintain a distinct identity by preserving certain aspects of their culture traditions and language The book manifests a vivid image of political economic and socio cultural situations and ethnic identity of Roma communities Roma have a long history of suffering discrimination persecution and exclusion in Europe European rulers unleashed hatred and discrimination against them They were for instance enslaved in Romanian principalities of Wallachia and Moldavia from 14th to 19th centuries They were also victims of genocide during the Second World War when about half million Roma were massacred along with Jews by the Nazi regime Their situation still remains critical as they continue to face discrimination and unequal access to vital services especially healthcare housing education and employment While there have been some initiatives taken by European Commission to encourage Roma inclusion and participation the limited progress has been reported in many European countries A wide array of activities undertaken by Centre for Roma Studies and Cultural Relations Antar Rashtriya Sahayog Parishad beckons a strong hope to Roma communities around the world This book is an imperative source for scholars researchers and students to research on myriad aspects of Roma communities
