Ladybird, 2024-02-23 Ladybird Readers is an ELT graded reader series for children aged 3-11 learning English as a foreign or second language. The series includes traditional tales, popular characters, modern stories, and non-fiction. Beautifully illustrated books, carefully written by language learning experts, provide structured language progression to develop children's reading, writing, speaking, listening, and critical thinking skills. Eight levels follow the Common European Framework of Reference for Language Learning (CEFR). Language activities provide preparation for the Cambridge English Pre A1 to A2 YLE tests. A unique code in each printed book provides access to online audio, extra activities, and learning resources. *The Wind in the Willows*, a Level 5 Reader, is A2 in the CEFR framework and supports YLE Flyers and KET exams. The longer text is made up of sentences with up to three clauses, more complex past and future tense structures, modal verbs, and a wider variety of adverbs and pronouns. Follow the funny adventures of Mole, Rat, Badger, and Toad. Can the animals help Toad get his home back from the weasels?

Grahame, 2017-08-25 *The Wind in the Willows* allows every person who has always wished animals could talk to dream a little more. In this amazing book, Toad, Ratty, Mr Toad, and Badger form a tight friendship and have many adventures. At the beginning of the book, Mole is busy spring cleaning his home when he suddenly decides he is simply sick of the job and that he wants to see what the big world outside his home is really like. He discovers the world is a busy, crazy place, and it takes a while for him to adapt. While he is wandering along the river, he meets his first friend, Ratty. Ratty is fun-loving and has a relaxed attitude about life. He tells Mole he will show him the world and proudly shows Mole how much fun life along the river can be. Ratty does not like new things, though, so he and Mole learn some things together. Mr Toad is the next friend they meet. He lives in Toad Hall and is smart and kind, but he is also spoiled and believes he is the most important person in the world. He likes doing new things and gets obsessed over motor cars and houseboats. His wild ways get him into trouble several times. The final friend in the group is Badger. He lives alone and he likes it that way. Badger does not want anyone to bother him and has little use for company. Mr Toad's father was Badger's best friend, and he is disappointed in how Mr Toad

is living his life The Wind in the Willows is full of fun and adventures for the best friends It has serious themes at times such as Mr Toad and his prison time but mostly it is a timeless story of friends who will do anything for each other Children of all ages are enchanted by the thought of talking animals that have very human like adventures together This is definitely a cannot go wrong title for all ages The Wind in the Willows allows every person who has always wished animals could talk to dream a little more In this amazing book Toad Ratty Mr Toad and Badger form a tight friendship and have many adventures At the beginning of the book Mole is busy spring cleaning is home when he suddenly decides he is simply sick of the job and that he wants to see what the big world outside his home is really like He discovers the world is a busy crazy place and it takes a while for him to adapt While he is wandering along the river he meets his first friend Ratty Ratty is fun loving and has a relaxed attitude about life He tells Mole he will show him the world and proudly shows Mole how much fun life along the river can be Ratty does not like new things though so he and Mole learn some things together Mr Toad is the next friend they meet He lives in Toad Hall and is smart and kind but he is also spoiled and believes he is the most important person in the world He likes doing new things and gets obsessed over motor cars and houseboats His wild ways get him into trouble several times The final friend in the group is Badger He lives alone and he likes it that way Badger does not want anyone to bother him and has little use for company Mr Toad s father was Badger s best friend and he is disappointed in how Mr Toad is living his life
