The Dragon from Chicago Pamela D. Toler,2024-08-06 For fans of unheralded women s stories a captivating look at Sigrid Schultz one of the earliest reporters to warn Americans of the rising threat of the Nazi regime No other American correspondent in Berlin knew so much of what was going on behind the scene as did Sigrid Schultz William L Shirer author of *The Rise and Fall of the Third Reich* We are facing an alarming upsurge in the spread of misinformation and attempts by powerful figures to discredit facts so they can seize control of narratives These are threats American journalist Sigrid Schultz knew all too well The Chicago Tribune s Berlin bureau chief and primary foreign correspondent for Central Europe from 1925 to January 1941 Schultz witnessed Hitler s rise to power and was one of the first reporters male or female to warn American readers of the growing dangers of Nazism In *The Dragon From Chicago* Pamela D Toler draws on extensive archival research to unearth the largely forgotten story of Schultz s years spent courageously reporting the news from Berlin from the revolts of 1919 through the Nazi rise to power and Allied air raids over Berlin in 1941 At a time when women reporters rarely wrote front page stories and her male colleagues saw a powerful unmarried woman as a freak Schultz pulled back the curtain on how the Nazis misrepresented the news to their own people and how they attempted to control the foreign press through bribery and threats Sharp and enlightening Schultz s story provides a powerful example for how we can reclaim truth in an era marked by the spread of disinformation and claims of fake news
