

Strategic Management For Physicians

**Eugene Schneller, Yousef
Abdulsalam, Karen Conway, Jim Eckler**

Strategic Management For Physicians:

The Physician Strategist Linda E. Swayne, Peter M. Ginter, 1996 This edition provides physicians and hospital professionals involved in the management of physician practices with a framework for conceptualizing and developing management strategies for their organizations It includes a model to clarify the strategic management process an introduction to the process of analyzing external and internal environments an explanation of how to diagnose the strengths and weaknesses of an organization s internal environment and a discussion of the development of mission vision values and organizational objectives

The Physician Manager's Handbook Robert J. Solomon, 1997 Physicians are increasingly taking on new roles as executives and managers in today s health care delivery system This work provides an overview of the essential business management skills that physician managers need to succeed

Strategic Management for Health Care Entities Thomas R. Prince, PhD, 1998-08-29 The health care industry is moving from an emphasis on cost containment to a growing fascination with the concept of value How is value created How can it be assessed Strategic Management for Health Care Entities provides a creative integrative and practical road map for addressing these questions Highlights include The integration of financial and accounting analysis with quality of care and outcomes reporting How medical facility and service codes can be used for competitor analysis and strategic market assessment A newly developed medical technology index that serves as a benchmark in the strategic assessment of community hospitals Strategic Management for Health Care Entities provides a framework for considering the changes still to come as providers payers and the public define new types of accountability and search for common ground in creation greater health care value

The Strategic Management of Health Care Organizations Peter M. Ginter, 2013-03-05 A structured strategic management approach is what s needed to tackle the revolutionary change the health care system has been experiencing Today health care organizations have almost universally embraced the strategic perspective first developed in the business sector and now have developed strategic management processes that are uniquely their own Health care leaders have found that strategic thinking planning and managing strategic momentum are essential for coping with the dynamics of the health care industry Strategic Management has become the single clearest manifestation of effective leadership of health care organizations The 7th edition of this leading text has been revised and updated to include a greater focus on the global analysis of industry and competition and analysis of the internal environment It provides guidance on strategic planning analysis of the health services environment both internal and external and lessons on implementation It also looks at organizational capability sustainability CSR and the sources of organizational inertia and competency traps

Strategic Management of Health Care Organizations Peter M. Ginter, Linda E. Swayne, W. Jack Duncan, 2002-03-20 A comprehensive concise text on strategic management as it applied to a variety of health care organizations physicians offices hospitals long term care health departments and others The central theme of the text is that business oriented strategic management can improve the success of health care organizations New

to the fourth edition each chapter has been fully updated and revised situational analysis and implementation are explicitly tied together through the value chain framework it includes 22 case studies of which 10 are brand new The text also retains the important features that have made previous editions of the book such a success Each chapter contains a generous number of examples and exhibits summaries and conclusions key terms and concepts questions for class discussion additional readings appendices that assist readers by presenting ways to analyze health care cases and make oral presentations The text is supported by PowerPoint Slides and a Teacher s Manual Visit www.blackwellpublishing.com/ginter for details

Management of Hospitals and Health Services Rockwell Schulz, Alton Cornelius Johnson, 2003 It is a provocative and useful compendium of ideas and historic perspectives that are current and applicable It is a worthy contribution to the health care literature

The Strategic Management of Health Care Organizations Peter M. Ginter, W. Jack Duncan, Linda E. Swayne, 2018-01-17 A comprehensive guide to effective strategic management of health care organizations Strategic Management of Health Care Organizations provides essential guidance for leading health care organizations through strategic management This structured approach to strategic management examines the processes of strategic thinking consensus building and documentation of that thinking into a strategic plan and creating and maintaining strategic momentum all essential for coping with the rapidly evolving health care industry Strategic Management of Health Care Organizations fully explains how strategic managers must become strategic thinkers with the ability to evaluate a changing industry analyze data question assumptions and develop new ideas The book guides readers through the strategic planning process demonstrating how to incorporate strategic thinking and create and document a clear and coherent plan of action In addition the all important processes of creating and maintaining the strategic momentum of the organization are fully described Finally the text demonstrates how strategic managers in carrying out the strategic plan must evaluate its success learn more about what works and incorporate new strategic thinking into operations and subsequent planning This strategic management approach has become the de facto standard for health care management as leadership and strategic management are more critical than ever in coping with an industry in flux This book provides health care management students as well as health care administrators with foundational guidance on strategic management concepts and practices tailored to the unique needs of the health care industry Included are a clear discussion of health services external analysis organizational internal analysis the development of directional strategies strategy alternative identification and evaluation and the development and management of implementation strategies providing an informative and insightful resource for anyone in the field This new eighth edition has been fully updated to reflect new insights into strategic thinking new methods to conceptualize and document critical environmental issues practical steps for carrying out each of the strategic management processes industry and management essentials for strategic thinkers and new case studies for applying the strategic management processes More specifically readers of this edition will be able to Create a process for developing a

strategic plan for a health care organization Map and analyze external issues trends and events in the general environment the health care system and the service area Conduct a comprehensive service area competitor analysis Perform an internal analysis and determine the competitive advantages and competitive disadvantages Develop directional strategies Identify strategic alternatives and make rational strategic decisions for a health care organization Develop a comprehensive strategy for a health care organization Create effective value adding service delivery and support strategies Translate service delivery and support plans into specific action plans The health care industry s revolutionary change remains ongoing and organizational success depends on leadership Strategic management has become the single clearest manifestation of effective leadership of health care organizations and the strategic management framework s strengths are needed now more than ever The Strategic Management of Health Care Organizations provides comprehensive guidance and up to date practices to help leaders keep their organizations on track The Physician's Essential MBA Michael J.
